FINAL FIGHT OVER BRIDGE NOW NEARING

Opponents Of Golden Gate Span Facing A Last Test

LONG BATTLE IS ENDING

Preliminary Work Is Completed—Foundation Is Excellent

Ferryboats belong to the era of horse-drawn vehicles.

Bridges are monuments to progress.

A great city with water barriers and no bridges is like a skyscraper with no elevators.

San Francisco is the only important city in the United States entirely dependent on ferryboats for ingress and egress.

Spoke To Rotarians.

With these epigramatic statements Joseph B. Strauss, chief engineer for the Golden Gate Bridge and Highway District, painted the necessity for bridging the Golden Gate, in a luncheon address before the San Francsco Rotary Club at the Palace Hotel, San Francisco, last week. More than 400 Rotarians and their guests listened intently as Engineer Strauss, in clean cut and forceful statements, outlined the bridge project and flayed the interests that have raised futile objections in their efforts to block what he termed "the most important project California or the west ever have known."

"The Golden Gate Bridge will materially reduce taxes in the district it serves," Mr. Strauss declared.

Bridge A Money-Maker.

"We have had a careful traffic survey completed that shows a traffic earning that will not only be sufficient, but will make it a large money earner in all the years to come.

"When our opponents failed in every other point they had brought up, they cried the bridge across the Golden Gate would not pay.

"This was in the face of the well known fact toll bridges, all over the country, have an established record as money-makers. That is why toll bridges are built and operated by private individuals for private gain.

The Proof Is Plain.

"No business establishment is continued in operation from year to year unless it pays a return. The fact so many bridges are being built and paying such handsome returns that Congress has been asked to intervene is evidence toll bridges are paying business propositions."

Cost Of The Bridge.

Touching upon the matter of the cost of the Golden Gate span, Engineer Strauss declared no competent bridge engineer has ever intimated it would cost in excess of his $30,000,00 estimate. No one has given a cost figure of $100,000,000," Mr. Strauss said. "That is, with the exception of certain men who testified for the opposition as 'engineering witnesses,' but who are not practicing bridge engineers and have had no experience in long span bridges.

"My figures have been substantiated by the leading bridge engineers of the country, O. H. Ammann and Leon S. Meisseiff, who are engaged with me in the construction of the Hudson river bridge in New York.

Samples Of Accuracy.

"The same men who testified the Golden Gate bridge would cost $100,000,000, testified that the test borings, now near completion, would cost $2,000,000. They were just $1,970,000 off. The costruct for the borings was let at $29,940, or just $60 below my estimated figure of $30,000 for the work.

"It is reasonable to suppose they are just as far off on their estimate of the actual construction cost of the span."

Foundation Is All Right.

Engineer Strauss declared the borings have revealed conditions that have entirely substantiated the reports of geologists employed to report on the rock formations for the piers and anchorages.

"As far as the physical aspects are concerned," he said, "we could begin work on the bridge now.

"The War Department looks with favor on the construction of a bridge across the Golden Gate, and there is small doubt a final permit will be issued when the plans and specifications of the structure have been submitted." Officials of the Golden Gate Bridge and Highway District were guests of honor at the luncheon.

Heard Over Air.

Engineer Strauss' address was broadcast over radio station KPO and thousands of listeners throughout San Francisco and the north bay counties heard it.

Decision Soon To Come.

Announcement by the United States supreme court as to whether it will take jurisdiction in the Golden Gate bridge district litigation, on appeal from the state supreme court, is expected this week, it was indicated when Attorney General U. S. Webb filed his brief in the case with the highest court.

No Issue Involved.

Attorney General Webb, on behalf of the bridge district, contends in his brief that the contenton of C. L. Crawford, Mendocino county taxpayer, in whose name the matter was appealed from the state court, the district act takes the property of a taxpayer without due process of law is premature. This view is based on the ground that the state court did not pass on the validity of any tax or assessment to be made by the Golden Gate Bridge and Highway District. George H. Harlan, San Rafael lawyer and attorney for the bridge district, is now in Washington, representing the district before the supreme justices.

MANY ATTENDED

A capacity audience was present Friday evening when the dedication service for the new $150,000 Ukiah union high school opened. Following the program, which featured an address by Dr. T. W. McQuarrie, president of the San Jose Teachers College, the large assemblage was shown through the completely equipped building which is a model school plant second to none in northern California.

LOST FORTUNE; MAN SUICIDES

A. C. Teagarden Killed Himself At Ft. Bragg Saturday Last

A. C. Teagarden, said to have been a retired lumberman from Los Angeles, committed suicide Thursday at Fort Bragg to which city he had gone, according to reports, to seek employment with the Union Lumber Company following heavy losses in the stock market. The unfortunate man, who was about 50 years old, arrived in Fort Bragg on the steamer Noyo Thursday and was a guest of the Union Lumber Company at one of their guests houses to which he retired after arrangements had been made to put him on the payroll of the company.

Used A Revolver.

Failing to appear for dinner, C. B. Johnson went to his room and found him stretched lifeless on the floor. A note, said to have been addressed to a lady at Los Angeles, begged forgiveness for the deed. An examination showed Mr. Teagarden had shot himself through the forehead with a 38-caliber revolver.

Will Begin Work On Gold Property Soon

T. D. Ruddock, of Anderson Valley, was here yesterday and stated orders had been placed for machinery which will be used in developing 1500 acres of placer land in Calaveras county. The gravel runs $1.00 a yard, Mr. Ruddock says. Shovels to handle 1200 yards of gravel a shift have been secured and three shifts will be run. A Plymouth locomotive will be used to haul the gravel to the washers. All of the machiery will be operated electrically.

WITH TELEPHONE CO.

Miss Leona Layman has succeeded Miss Mary Gantz as clerk and stenographer in the plant department of the Pacific Telephone & Telegraph Company's offices here. Miss Gantz resigned recently to take the position of secretary to Farm Advisor C. S. Myszka.

TO MOVE

The Chamber of Commerce is to move May 1 to the Cambot building on North State street, which will be remodeled.

FRED HERRICK SICK

Fred Herrick, who was formerly associated here with the Richfield Oil Company as local manager, has been seriously ill at his home in Lakeport since the holidays. Mr. Herrick is now recovering and will be able to assume business duties shortly.

MAYORESS IN TOWN

Emily Jones, mayor of Eureka, was a guest in Ukiah for several hours Sunday while enroute home from a visit to the bay district.

WOMAN FACED 2 DANGEROUS RISKS TO WIN

Lake County Resident Makes Heroic Race To Dying Husband

USED SKIS AND PLANE

Dared Mountain Snows And A Long Flight In The Air

Samuel Dowell, uncle of Mrs. E. L. Cunningham of this city and Judge Benjamin C. Jones of Lake county, passed away at his home at Upper Lake last week. Funeral services for Mr. Dewell were held Thursday. When Mr. Dewell was first stricken with the illness that proved fatal his wife, Mrs. Margaret Dewell, was visiting a niece in a mountainous region of Washington.

Made Dangerous Race.

When she received word of her husband's illness Mrs. Dowell made her way over 30 feet of snow on snowshoes, arriving at Seattle where she took passage in an airplane for San Francisco. She reached her home in Upper Lake Monday, winning her race against death by 24 hours.

Indian Orchestra To Play At Coast Dance

A genuine Indian dance orchestra will play for their white friends at Manchester or Point Arena Monday, February 3, at Hopland on Tuesday, February 4, and at Willits February 5. The piano and banjo player comes from Fresno county and is a member of the Chuck-Chance tribe of Indians. The saxophone player is a member of the Hupa tribe from Humboldt county. The violinist is a member of the Pino tribe and has been under contract in Hollywood and has played over the radio. The drummer is a member of the Pomo tribe of Sonoma county. It has been reported the orchestra has been favored with unusually large crowds at their dances. Their present dances are announced as "Hard Times" dances. Their friends are invited to wear their old clothes and are assured barrels of fun.

Won Coveted Honors In A U. C. Contest

From the University of California last week word was broadcasted the University debating team had been selected from a large class of aspirants, and it was a great gratification to Ukiah friends of the pioneer John Taylor family of this city to learn Jack Taylor, son of Mr. and Mrs. J. Lee Taylor of this city, was one of the successful few. Already many offers have been received at the university for debating contests with other colleges. The subject chosen by Jack Taylor to "put over" his ability as an orator was "Disarmament" and how well he convinced his jury of superiors is told in his selection as a member of the team. The young man is a graduate of the Ukiah high school with the class of 1926 and is a Junior at the university. Among other successful candidates was Jack Reynolds, president of the student body and a student from Oxford, which proves the competition was keen.

AT THE PALACE

The following Mendocino county residents were registered at The Palace Hotel during the week: S. E. Lee, Laytonville; E. L. Green, R. Shannon, L. E. Grimes, C. B. Melville, Geo. Nichols and Cliff Brows, of Fort Bragg; John Bellatti, Mrs. S. P. Steen, of Covelo; Mrs. Annie R. Babcock, Willits; Oliver Cureton, of Philo.

Press Want Ads Always Register

Last week Jos. Lang, of Hopland, wished to sell a number of cows and sent a classified advertisement to The Press to be run three weeks. However, after the ad had appeared the second time all of the animals had been disposed of and Mr. Lang has written asking the advertisement be discontinued. Because almost everyone in this part of the state reads The Press advertising in the classified columns of The Press always brings satisfactory results.

THE EXAMINER PRAISES HANDY

The San Francisco Examiner Saturday had the following comment on the determination of Senator Fred C. Handy to seek re-election in this senatorial district: "Members of the State Legislature and others throughout the state in touch with legislative activities learned yesterday with interest of the candidacy of Senator Fred C. Handy, of Ukiah, for re-election. Senator Handy holds the high esteem of a great number of persons with whom he has contacted during his legislative service. This runs through eight years in the state senate, with every prospect that he will be returned, his friends assert, for a third consecutive term. Under the new reapportionment, effective this year, Senator Handy will run from the Fourth Senatorial District, composed of Mendocino and Lake counties."

FURNITURE CO. CHANGES HANDS

John C. Ventura Buys Interests Of C. A. Gowell In Firm

The interest of C. A. Gowell in the Northern California Furniture Co. was this week purchased by John C. Ventura, and hereafter the business will be conducted by Clifton Olive and Mr. Ventura. John Ventura for years was associated with the J. W. Eversole & Son furniture business here and later on was with B. L. Cleland in a like business. He has a good knowledge of the business and enjoys a wide acquaintance. Mr. Olive is a veteran in the furniture line and is rated an authority on house furnishings. The [illegible] contemplated to do a nice business [illegible] Store.

E. A. Eversole, it is understood, will be connected with the firm and will devote as much of his time as possible to the store.

Army Aviator Goes To The Richfield Co.

Captain E. L. Curtis, former airways extension superintendent of the Airways Division, U. S. Department of Commerce, and more recently associate airways engineer of that department, has become associated with the Richfield Oil Company of

CAPT. E. L. CURTIS

California as chief engineer of the service division of its aviation department, according to an announcement just made by C. B. Garretson, vice president. Captain Curtis left the air mail service in May, 1927, to become airways extension superintendent in the U. S. Department of Commerce, later being transferred to San Francisco as associate airways engineer in charge of the Federal Pacific Coast airways, which duties embraced the maintenance of all beacons. He is a captain in the air corps reserve, United States Army, is a transport pilot, and has had over 3500 hours of actual flying experience.

Supervisor C. R. Perkins was in the city Monday enroute to San Francisco.

MILK BOTTLE DISAPPEARS QUITE OFTEN?

Housewives Are Irritated Over Thefts From Doorsteps

HOBOES ARE SUSPECTED

Junglemen Need Nourishment These Severe Mornings

Many complaints are reaching local officers from irate housewives who report the morning or evening milk missing from the doorstep when breakfast is about to be served.

Boys Are Offenders.

Chief of Police W. F. Ornbaun appreciates fully the household loss and is doing his best to run down the culprits, but in the meantime advises housewives to take the milk in when it is delivered and so avoid the annoyance. It is the opinion of the police chief boys are partly responsible and perhaps hoboes who congregate near the railroad tracks may have a hand in the depredations. Since it is no longer lawful for junk dealers to buy milk bottles from any source it is unlikely the milk is stolen for any purpose but that of hunger. A nearby city has been reporting bread stolen from stores where it was left by metropolitan delivery trucks early in the morning. When a watch was kept it was found the bread was taken to supply a hobo "jungle camp" near by and it is likely a similar condition exists here.

Banking Conditions Hereabouts Reviewed

William Bromley, cashier of the Savings Bank of Mendocino County, was among the 100 bankers in attendance at the dinner meeting of Group 8, California Bankers' Association at the Occidental Hotel in Santa Rosa Saturday evening. W. J. Schultz, of the Coast National Bank at Fort Bragg, is president of the group. "Better Banking" was the principal topic, the speaker being E. D. Holly, chief deputy of the state banking department. Other speakers were W. D. Ellis, president of the Federal Land Bank of Berkeley, who talked on "Safe Farm Loans;" A. B. Swain, president of the Sebastopol National Bank and a member of the executive committee of the Sonoma county clearing house association; H. W. Landers, secretary of the California Bankers' Association, and C. E. Lowell, chief examiner of the state banking department.

Miss Mary Melville Weds An Oaklander

The wedding of Miss Mary Vivien Melville, daughter of former Assemblyman and Mrs. C. B. Melville, of Fort Bragg, and Everett Dow, of Oakland, will be heard with much interest here where Mrs. Melville, mother of the bride, passed her girlhood. The wedding was solemnized at the Tenth Avenue Baptist church, Oakland, Saturday, January 18, with Dr. George Phillips officiating in the presence of a few family members. After the ceremony the wedding dinner was served at Drake's in Berkeley and the young couple left the following day for Yosemite where they passed the honeymoon and are now at home to their friends at 1108 Francisco street, Oakland. Miss Melville is a graduate of the Fort Bragg schools and business college and has been holding a responsible position with the clerical force of the Coast National Bank. She is a charming young woman and popular in the coast metropolis. Mr. Dow is an accountant with a large business firm of Oakland. Prior to her marriage Mrs. Melville, mother of the bride, was Miss Ida Mills, of this city.

WILLITS MAN'S SLAYER GUILTY

The jury in the case of John A. Wright, Klamath Falls plumber accused of the murder of Sydney Darling, hotel owner, at Klamath Falls, returned a verdict of first degree murder against Mr. Wright with recommendation of life imprisonment.

Sid Darling was a former resident of Willits and while at that place conducted the moving picture theater, moving from Willits to Klamath Falls.

DIED IN OAKLAND

Mrs. Susie Wilson received word last week of the passing of her sister, Mrs. Mary Catherine Burckhalter which occurred in Oakland January 23. Mrs. Burckhalter is an aunt of Mrs. M. N. Donohoe, of this city, and of E. E. Holbrook, former Mendocino county recorder, who resides at Martinez. A daughter and four sons survive. Mrs. Burckhalter was well known here.

MAJOR FUGITT DIED SUDDENLY

Former Resident Passed Away In The City On Saturday Last

Word reached here this week of the passing in San Francisco Saturday of Warren M. (Major) Fugitt, husband of Alice Sweasey Fugitt, who resided for several years at Talmage where he was employed at the Mendocino state hospital.

Was Highly Regarded.

Funeral services for Mr. Fugitt were held in San Francisco Monday and were under the auspices of the Benevolent Order of Elks. The death of Mr. Fugitt was learned with great sorrow here. He was in the prime of life and no intimation of a serious illness had been received here. It was while he was employed at Talmage Mr. Fugitt become affiliated with the Santa Rosa Lodge of Elks, in which organization he held membership up to the time of his passing, which occurred at the family home in San Francisco. Beside his wife, who is a member of the pioneer W. H. Force family of this city, and a niece of Tom Force, of Talmage, a daughter survives.

'White Collars' To Be Produced By Students

The Senior students of the Ukiah union high school have completed plans for staging the annual Senior class play, "White Collars," the famous New York production, at the new high school auditorium on Friday evening, February 7, and tickets are now on sale by students and may be reserved at Morty's. The play starts promptly at eight o'clock. Since the new auditorium seats 990 persons and every seat is sure to be sold it is easy to predict the most successful production in the last line of auspicious performances credited to Senior classes in the past.

Tonight's Game Has Been Declared Off

The basketball game between Lakeport and Ukiah scheduled for tonight has been called off because of smallpox in Lakeport. The next game the Ukiah team will play will be with Santa Rosa here, Friday evening, February 7. Ernie Nevers, famous as a football player, will be with Santa Rosa in the contest.

ABLE TO BE OUT

Dr. F. E. Rea has so far recovered from his recent critical illness as to be able to be out a short time each day and is gaining strength rapidly.

IS IMPROVING

The condition of Mrs. R. E. Donohoe, stricken before the holidays with a grave illness, is reported as excellent by Dr. J. H. Hansen, attending physician.

LOST DOG WAS TAKEN OFF A HIGH TRESTLE

When Train Bore Down Upon Animal Little Shepherd Howled

DISTRESS SIGNAL HEARD

Crew Rescued Starving Animal—Owner Located By A Tag

Here is an excellent human interest story which recently was published in The Fort Bragg Advocate: "It's a cold cruel world," thought "Roy," so to avoid hurting his sore and almost frozen feet, he carefully picked his way along the railroad track, for the ground was still covered with snow, and he had walked many miles that day looking for his master who had separated from him the day before.

In Dangerous Place.

He was out on a high bridge, right in the middle, and the snow was so slippery he could hardly walk without falling into the depths below; it was making him dizzy, and worst of all, a train was coming. He could not run or he would surely slip off the narrow timber he was trying to walk on. He must let them know he was there. So up in the air went his nose and perhaps for the first time the woods in the vicinity of Grove station on the California Western railway resounded to the echoes of a wolf's howl. But this time it was uttered by Roy, a beautiful Australian Shepherd dog, and the driver of the motor car heard, brought his car to a stop and rescued Roy from his perilous position. Into their lunch pails went each man and right then and there Roy tasted the first food for two days, during which time he had been searching for his master.

Long Way From Home.

Around the dog's neck was a collar bearing a Fresno dog tax number; the city clerk in Fresno was communicated with, and advised the owner of the dog was Mrs. Lora Tyson. It was then a simple matter to get word to Mrs. Tyson and on Sunday morning Roy was again united with his folks. His joy was unmistakable.

High School Plays Cloverdale Saturday

Ukiah High's two casaba teams will meet A and B teams of Cloverdale high school on the local court on Friday night at 7:45 o'clock. The Cloverdale teams have been doing big things in the basketball field. Their latest victim was Hopland high school whom they beat quite decisively.

Killed Many Varmints In The Usal Country

With 10 bear and three coyote pelts to his credit after a two-month hunt in the Needle Rock and Usal country, Gus Langeran, biological survey hunter who was sent to the coast several months ago to aid in the destruction of predatory animals, has returned to headquarters.

SEEKS COLLECTION

Wm. Williamson is suing Marlin Hurt et al for $1822, alleged to be due on a mortgage.

ASKS DAMAGES

H. L. Rambo is suing C. J. Pickens for $25,000 damages sustained in an auto accident last summer.

TO GET UNIFORMS

On February 4 the local traffic squad will receive their new uniforms designed by the state. The color and style vary but little from the present form but the insignia of office is in a little gayer tints.

Senator Handy Is Highly Regarded

Senator Herbert W. Slater, in The Press-Democrat, says of Senator F. C. Handy: "Friends of Senator F. C. Handy declare he will be returned by a large vote in Mendocino and Lake counties, which now compose the senatorial district, and insist the fine service he has rendered his district should be rewarded by re-election. Senator Handy was chairman of the important committee on highways in the senate.

THE TRUTH "—is also found in frank confession of error."

UNRECOGNIZED

(By Edgar A. Guest)

"I knew him when he was a lad,"
The gossip whispered of the man.
"I knew him when no coat he had,
And when to work he first began.
I knew him in the long ago
He used to shovel off our snow."

Another said: "I knew him when
He drove a wagon through the town,
And well do I remember, then,
He scarcely had enough to eat.
I knew him, running up and down
On errands in our little town."

Then heard the gossips and replied:
"You knew a boy of long ago,
A shivering lad who worked outside,
And from your pathway shoveled snow.
All that you knew, as you declare,
Was that he had no coat to wear.

"You didn't know the man at all.
You never guessed the fame he'd win.
That ragged coat which you recall
Shut from your view the heart within.
And that poor boy of long ago
Is now the man you didn't know."

WATCH IT CAREFULLY

NO ONE comes forward to openly champion the agitation for a bond issue of $1,000,000 for roads and buildings in Mendocino county after the outline of the plan had been circulated, but that does not mean the matter has been dropped.

This county is not in a position to undertake a bond issue of such character. Remember, a bond issue of the type of the one suggested, would, before all the bonds were retired, have cost Mendocino county taxpayers, when the interest and incidental expenses had been taken care of, $2,350,000.

In other words we will be called upon to pay almost double for the outlays held before the eyes of the people at this time as being necessary expenditures.

There may be a belief in the minds of some the contemplated campaign for a bond issue has subsided, but it has not and, if it is not gotten before the people, unless the dangerous points are outlined to taxpayers, it may carry, if put to a vote. The Press suggests to the Farm Bureau here is a menacing situation well worth united opposition.

OF COURSE

BECAUSE this newspaper appreciates there was determined opposition in Mendocino county to the building of the Golden Gate bridge The Press has all along printed everything it possibly could to throw light on the situation. This page, from the start, has been for the bridge and it is glad to observe a sentiment for the great undertaking is rapidly forming everywhere in the district, even here at home it is gaining supporters, although not as fast as this newspaper would like to see it. Favorable sentiment for the bridge is being created by just such articles as the following which was printed in The San Francisco Call-Bulletin:

"J. B. Strauss, chief engineer for the Golden Gate Bridge and Highway District, tells what we all know—but what he said to the San Francisco Rotarians cannot be said too often. He spiked the guns of the defeatists, who say that bridges across our bay will be ugly desecrations of natural beauty. But bridges across San Francisco Bay can be and will be beautiful, and we have yet to hear anybody defend our ferries on the ground that they are as graceful as swans.

"He reminded the Rotarians that a bridge, after all, is nothing more than an extension of a highway. If the bridge is strategically located, if it is placed where land traffic moves onto boats, it will be a money-maker from the beginning and PAY FOR ITSELF in a very few years. And what spokesman for a ferry would have the face to deny that bridges to the East Bay and to the north across the Gate are unnecessary and out of place? Nevertheless opponents of bay bridges do say that they will not pay and they say it, says Mr. Strauss, 'in the face of the well-known fact that toll bridges all over the country have an established record as money-makers; that is why toll bridges are built and operated by private individuals for private gain.'

"Some toll bridges, built as stock-selling schemes and not with the public need in mind, do not pay and should never have been planned or built—but the Southern Pacific itself is building a bridge not many miles away from here to take the place of ferries. We may assume that the Southern Pacific knows what it is doing and so do the people of San Francisco."

ONE EXECUTIVE UNDERSTOOD

WHEN THE recent "depression" took place and a panic gripped the country some of the powerful ones at the national capital, responding to the frantic appeals of gamblers in Wall street, began to pull wires which resulted in orders being given 48 governors to see to it a lot of money was spent. And independent editorial comment on the situation brought out this paragraph anent the situation: "One gathered, from the wording of the appeal, it didn't matter much for what the money was spent, as long as it was spent. There was, in the message, no hint where the money might be found. On 47 governors it never seems to have dawned that the money would have to come, in the form of taxes, from the very people it was, theoretically, supposed to help. But one governor seems to have had his head screwed on firmly. He is Roland Hartley of Washington. He has just made public his reply to the "spend everything" boys. Here's the salient part of it:

"'Expenditure of public funds for any purpose beyond requirements is false prosperity—like attempting to lift yourself by your bootstraps. Politicians try to entrench themselves by lavish expenditures of public funds, but this only serves as an added burden. The people are now taxed beyond their ability to pay.'"

RATE CUTS BENEFIT FARMERS

FARM BUREAU SUCCESSFUL IN POWER RATE CONFERENCES

As a result of hearings participated in by the bay cities and the Farm Bureau, the Commission has ordered another reduction in the rates of the Pacific Gas & Electric Company. The average reduction to all consumers is five per cent, and places the earnings of the Pacific Gas & Electric Company upon the basis of a 7% per cent return upon the rate base of the utility. The major reductions have been made to lighting consumers although other schedules have also been adjusted. The rates to rural consumers for lighting have been reduced in the first block from six cents per kilowatt hour to 5½ cents and affect all lighting consumers on the domestic schedule.

An Additional Help.

Another change in the schedule which will materially help rural consumers is a change in the computation of minimum bills. The combination lighting, heating and cooking schedule now provides that the service charge (70 cents per meter) constitutes the minimum for installations of eight kilowatt load or less. Previously the minimum charge was $2.90 for this amount of load. Another change in the schedule provides that no minimum charge will apply to heating equipment between May first and November first.

Aided Farmers Elsewhere.

The California Farm Bureau Federation was also successful in obtaining a reduction in the agricultural power schedule, the effect of which is to materially reduce rates to consumers in this class located in Salinas Valley and other territory formerly served by the Coast Valley Gas & Electric Company. They will now receive service at the same rates as the balance of the Pacific Gas & Electric system. This reduction amounts to between four and eight mills per kilowatt hour to most of those consumers, and for the year 1930 will save them approximately $57,000.

A Material Reduction.

Agricultural power consumers in the Pacific Gas & Electric system, other than the Coast Valleys, whose use of energy exceeded 1000 kilowatts per horsepower also will receive reductions totaling about $44,000. The new rates become effective with meter readings taken on and after March 1, 1930.

More Results Expected.

While no change has as yet been made in the Great Western Power Company, since their schedules in the past have been the same as the Pacific Gas & Electric Company, it is anticipated they will voluntarily offer to meet these rates.

Mr. and Mrs. J. B. McGuffin and children, Miss Hazel and Howard McGuffin, motored to Scotts Valley Sunday for a visit at the home of Mr. and Mrs. R. E. Dashiell. Miss Hazel remained over to pass the week with her cousins, Evelyn and Geraldine Dashiell.

Died In Lake County.

E. E. Endicott, who was raised in Potter Valley, died at the home of a brother near Upper Lake last week. Mr. Endicott had been an invalid the past eight years and lived with his brother. His remains were taken to Willits where funeral services were held from the Anker & Cleland chapel. Rev. John Brunswick and Rev. G. H. Jones officiated at the services.

Born In Potter Valley.

Edward Everett Endicott was born in Potter Valley, January 31, 1861, and lived most of his life in Willits, going there with his mother when about seven years of age, shortly after the death of his father. He lived the next few years with his grandparents on the old Coates place south of Willits. In 1885 he was married to Margaret R. Symons in Willits, to which union were born four children, three girls and one boy. They are Mrs. Mabel Shimmin, of Stockton, Mrs. George Heyward, of Willits, Mrs. V. E. Frost, of Redwod Valley, and Nelson E. Endicott, of Willits. There is one grandchild, Miss Ileta Shimmin, of Stockton.

Served As Marshal.

Mr. Endicott spent his early life here engaged in ranching, and at one time was town marshal of Willits. About 15 years ago Mr. Endicott removed to Oakland, where he lived several years until he was stricken by a paralytic stroke, which left him an invalid the rest of his life. He was taken to Willits and lived there for a time, but for the past few years has been with his brother, William Runk, in Lake county. Deceased was one of seven children, of whom four survive. They are Mrs. Lizzie Stenso, of Crescent City; Mrs. Annie Roach, of San Jose; Seth Endicott and Wm. Runk, of Lake county.

R. J. Prince returned last week from a visit to the bay district and other points.

BAY SOCIETY HEAR PLANS FOR JUNE WEDDING

An engagement announcement of much interest here was made at the home of Mr. and Mrs. A. M. King, at Hayward, during the week when Miss Ila Ruddick, sister of the hostess, told of her betrothal to Joseph D. Madden, of Oakland. The announcement was made at a charmingly appointed party, with bay city friends and former local residents, who reside about the bay, present. Following the announcement a number of the friends of the charming bride-to-be and of Mrs. King, who was formerly Miss Leva Ruddick, of this city, issued invitations honoring Miss Ruddick who will remain at the home of her sister in Hayward a few weeks before coming home to arrange the details of her marriage to Mr. Madden. Miss Ruddick was educated in the local schools and was very prominent in the younger social set in which she moved during that time, both because of her unusual beauty and a delightful personality and charm. Following graduation here Miss Ruddick was a student nurse at the University of California, later qualifying for secretarial work also. For the past two years she has resided in the bay district but frequently returns here for visits at the family home south of town. Mr. Madden is connected with the engineering department of the Pacific Telephone & Telegraph Company in San Francisco. He was formerly of Omaha, Nebraska. Following the wedding in June the new home will be established in Oakland. Already a number of local friends of Miss Ruddick are planning a group of pre-nuptial parties in her honor when she comes home in the spring. It is interesting to note Miss Ruddick is the last to wed of a coterie of local young women who were conspicuous for their pulchritude and social activities here. Other members of the group were Lurline Jamison Fair, Evelyn Redemeyer Farringer, Vivian Green Gilmore, Margaret Cunningham Huguet and Hilda Belle Banker Mannon, the latter a bride of this month.

WEEK-END GUESTS

Dr. Elby Atkinson was here from Oakland to pass the week-end with his parents, Mr. and Mrs. C. D. Atkinson. The former local young man was accompanied by a classmate and fraternity brother, Dr. Jock Benedickston, of Oakland. The two professional men motored home Sunday afternoon.

REVERED MOTHER ON NINETIETH BIRTHDAY IS HONORED

There was something almost sublime in the observance Monday afternoon and evening of the ninetieth birthday observance of Mrs. M. C. Duncan, one of Ukiah's oldest pioneer mothers, at her home in North Oak street. Throughout the hours of the informal reception friends surrounded Mrs. Duncan to whom no better tribute could be paid than that she has met the highest need of her day, thereby laying the deeper foundations of greater days to come. Learning early in life there is nothing surer on which to build than the church and the home Mrs. Duncan has shaped her destiny with truth and love, the essence of which has kept her forever young. In keeping with the invariable habit of Mrs. Duncan the guests paused in the midst of their greeting to bow their heads while the pioneer mother offered a prayer, after which several familiar hymns, made dear to all by church affiliation, were sung. Showered with flowers and good wishes and the love of old-time associates and friends the day was indeed a happy one for Mrs. Duncan. Notable among the floral offerings were a basket of spring bloom from Kingsley Chapter, Order of Eastern Star, and another from the Federated Methodist Women of which Mrs. Duncan is a charter member. At the tea service Monday a special table was reserved for Mrs. Duncan and a group of friends who have passed the proverbial three score years and ten, among whom was Mrs. Martha Glazier, seated at the right of Mrs. Duncan. Another interesting feature was the presence of Mrs. R. J. Prince, whose parents, the late Major and Mrs. W. W. Cunningham, were among Mrs. Duncan's first acquaintances here, the Cunningham family arriving in 1865 and the family of Mrs. Duncan two years later. Still another interesting feature was the cutting of the birthday cake, a delectable pound cake, the making of which was personally supervised by Mrs. Duncan, whose culinary skill is not the least of her accomplishments. Assisting very materially in the program of the reception were Mrs. Laura Davis, daughter of Mrs. Duncan, Mrs. C. H. Duncan, daughter-in-law, and the Federated Methodist Women. The whole community joins in wishing for Mrs. Duncan a continuation of the choicest things the world may offer—the approval, the sympathy and the devotion of true hearts.

Among the friends who were present to felicitate Mrs. Duncan were Mesdames W. D. L. Held, Kate Donohoe, Loren York, John McGimsey, Sam Speer, Alpha Capwell, A. D. Moon, Jane Wilson, Ella McKinley, Susie Stinehoff, R. J. Prince, T. J. Joslin, Ella Heap, Dora Mankins, E. J. Foster, J. C. Thomson, Gertie Van Dyke, John Redemeyer, E. M. Ford, Robert Anderson, Minnie Graf, Harriet Deering, Ella Heap, Rachel Jameson, J. R. Jameson, E. B. Sherman, Ellen Hunt, Laura Shattuck, Hattie Snyder, Wesley Ford, Henry Brush, John Allen, Clara Stipp, J. W. Payne, E. Stall, Lola C. Brown, Jennie Grothe, F. O. Strong, Nellie Sanford, R. R. Byrnes, G. C. Burke, Mary E. Sanford, Mary Towle, R. Ryder, M. Kauffman, Daisy Richey, Charles Luce, Carrie Van Voast, Nancy Akers, W. A. Ford, Annie Richey, Martha Glazier, Elizabeth Luce, W. J. Storer, G. Menfal, M. McCorquodale, Effie Hughes, F. E. Rea, J. W. Eversole, Ina Eversole, P. E. McKinney, Cora Van Nader, R. Salsbury, Nellie Cook, Master Jimmy York, Mr. and Mrs. F. W. Collins, R. S. Ryder, Dr. and Mrs. R. Thomas, Rev. and Mrs. Warren Bonner, Mr. and Mrs. C. N. Synder and Miss Grace Reid.

TO HEAR SPEAKER

The monthly meeting date of the Missionary Society of the Presbyterian church has been advanced a week in order to take advantage of the visit to this part of California of Miss Roberta Barr, national missions speaker, who is visiting Presbyterian missionary societies in northern California with her splendid message. Miss Barr will speak at the local society meeting at 2:30 o'clock Thursday afternoon at the church. Mrs. M. J. Rea is honorary president of the society and Mrs. P. W. Handy, as acting president, will introduce Miss Barr. The public is invited to hear Miss Barr and a special effort will be made to have all members present.

OFFICERS SEATED

Cornelia Rebekah Lodge installed officers Monday evening following a banquet, featuring turkey on the menu, which was served at 6:30 o'clock. The officers were installed by Veta White Morby, district deputy president, who was assisted by Katherine Sloper, deputy grand marshal; May Beckley, deputy grand warden; Bessie Jamison, deputy grand secretary; Anna David, deputy grand treasurer; Jocie Butts, Alice Bertsch, Susie Neep and Lillian McPeak, aids. The officers installed were Katherine Foster, noble grand; Grace Emery, vice grand; Kate Prather, recording secretary; Emily Miller, financial secretary; Minnie Lambert, treasurer; Susie Neep, pianist; Katherine Sloper, chaplain; Winifred Mitchell, past grand; Alice Bertsch, warder; Lillian McPeak, conductress; Veta Morby, right support; Della Heryford, left support; Bessie Jamison and Mary E. Joslin, banner bearers.

Mr. and Mrs. B. M. Bucknell, of Sherwood Valley, were Ukiah business visitors Saturday.

KOSMOS CLUB

The annual "Travelogue Day" of the Kosmos Club Thursday was featured with an interesting talk by Miss Myrtle Ruddick, who recently returned from a world tour. Miss Ruddick's subject was "Palestine" and she talked with the assurance born of personal experience. Sidelights of the interesting meeting were the costuming of the club members, each of whom represented a foreign country, in dress. As Mrs. F. D. Patton, at the piano, played the national air of a country the impersonators of the nation walked forward and across the room. Conspicuous in the costumes was one worn by Mrs. E. McCorrison who displayed the gown and headdress of a Grecian. The entire outfit was made by the mother of Paul and Tom Poulos, of this city, the materials being carded and spun and fashioned into garments by the Grecian mother. The head dress was of the finest linen and was a marvel of expert workmanship and skill. The hospitality committee included Mrs. Laura Shattuck, Mrs. Perle Crawford and Mrs. E. Weger. Garbed in Japanese costumes they served the food peculiar to that nation. Informal talks of the afternoon were made by Mrs. F. La Porte, program chairman, who read a short travelogue on Hawaii; Mrs. L. H. Foster and Mrs. Y. York, who related personal experiences in the Yellowstone, and Mrs. J. Q. White and Miss Grace Emery, who told of interesting visits to Crater Lake.

TO MAKE ADDRESS

Next Thursday afternoon Miss Roberta Barr, a representative of the Presbyterian National Board of Missions, will give an address at the Presbyterian church at 2:30 o'clock. Miss Barr is from New York, and is a very fine speaker and will give some very interesting facts in regard to the work of the Board among the foreign speaking peoples and mission work in general in the United States. This meeting is open to everyone.

DROVE TO CITY

Mr. and Mrs. A. D. Shortt motored to San Francisco and planned being away until the end of the week.

Ruby Haehl, who has been sick several weeks, has entirely recovered.

FAMILY VISIT

Sunday Senator F. C. Handy and P. W. Handy enjoyed a brief visit with family members, who motored here from San Francisco to pass the day. In the party were Mr. and Mrs. Ernest Wheeler, of Honolulu, Miss Florence H. Handy, Mrs. Hazel Melone and A. Niquette, the latter an old friend, all of San Francisco. The three ladies are sisters of the local men. Mr. and Mrs. Wheeler are sailing shortly for their island home where Mr. Wheeler is chief engineer of road building for the United States government in Hawaii.

EL SOL MEETING

The El Sol Sewing Club, which for several seasons has been holding neighborhood meetings in the vicinity of the west end of West Perkins street, will enjoy the hospitality of Mrs. Laura Shattuck this afternoon at which time members will devote the afternoon to needlework and the enjoyment of a tea service. The last meeting of the club was held at the home of Mrs. Brice Houdeshell at which time a delightful afternoon was passed.

SOCIETY AND CLUBS

WEDDED RECENTLY

A romance that had its inception in San Francisco culminated in the marriage of Vera Cook, former local resident, and Robert Grant, of San Francisco, recently. The new home will be established in San Francisco The bride is a sister of Mrs. Paul Poulos and the daughter of Mrs. Ethel Bonnifield and was formerly employed in the local branch of Montgomery Ward & Company.

IMPORTANT EVENTS

Two Talmage social events of much local interest will take place shortly and are being eagerly anticipated here. The first will be a public bridge and whist party to be held in the auditorium of the State Hospital Friday evening, January 31, at eight o'clock. The committee in charge has announced score cards may be secured for 25 cents each. The usual favors will be presented the guests for high scores. The committee in charge of the card party includes M. Fowler, K. Michael, Dr. Olga Miller, Wilma Friedeman, Maxine Acchison and C. L. Charles. Through Mrs. Jack Montgomery a special invitation to attend the party has been extended the members of the Saturday Afternoon Club.

Thursday evening, February sixth, another of the popular dances given by the employes of the Mendocino State Hospital will be held in the auditorium. The affair will be a St. Valentine dance with decorations in the motif appropriate to the day. Rex Parker's popular orchestra will provide the music and an attractive door prize will be offered. The dance committee planning so delightfully for the public is Mr. and Mrs. J. Scott, Mr. and Mrs. Poruett Edwards, Miss Wilda Friedeman, and Messrs. M. Fowler and C. L. Charles.

The employes of the state hospital have provided so many delightful social diversions for the public it is to be expected they will be well patronized upon the two occasions mentioned above.

WEDDED IN NEW YORK

Miss Dorothy Keil, daughter of Mr. and Mrs. E. R. Keil, of Saratoga Springs and well known here, was wedded January 15 in New York to Edward Charles Kenny, of New York. The bride was graduated from the University of California two years ago and went east to pursue her medical studies at Johns Hopkins University where the romance had its inception. Mr. and Mrs. Kenny will reside in New York.

INTERESTED CLUB PLAN

The Saturday Afternoon Club will hold an open meeting at the clubhouse Saturday at two o'clock with Mrs. Guy Redwine presiding. Mrs. P. W. Handy is in charge of the music. The program subject is the "American Home" and will be presented by a committee including Mrs. Martha Toles, Mrs. A. F. Moulton and Mrs. I. M. Brazier. The hospitality committee includes Mrs. Isabel Miller, Mrs. P. W. Handy, Mrs. Eugenia Cox, Mrs. H. R. Paull, Mrs. Hale McCowen, Sr., Mrs. Louis Hofman. The speaker of the day will be Mrs. Barbara Reid Robson, who recently returned from an 11 months' journey around the world. Her subject will be "Homes in the Far East." In this informal talk Mrs. Robson will speak of the homes, the people, and some of the unusual customs observed in Japan, China, Java and Upper Egypt. She promises too that she will relate a few of the unusual and delightful experiences which she had during her world trip and which she calls the "Low Lights of Her Trip." Mrs. Robson is a graduate of both the University of California and Simmons College, Boston, and has had many years of experience in the teaching and business worlds. During the past year she has addressed over 200 groups in Northern California. She comes here through the courtesy of the Hostess Cake Kitchen, of San Francisco, for which she is Home Economics Consultant.

ST. VALENTINE BRIDGE

Local society is asked to keep in mind the bridge party to be given by the Kosmos Club on February 14. The sentiment around which the date is circled makes the occasion an ideal one for entertaining and the hearts and cupid's motifs will be made much of in the score cards, decorations and menu. The score cards are selling for 50 cents each, which includes the supper service and a chance to win one of the attractive prizes offered for high scores. Playing begins at eight o'clock at the club rooms in West Henry street.

PARTY PLANS

The Catholic Ladies League held a called business meeting last week at the home of Mrs. Mary Ruddock to complete plans for the February bridge party which will be held Wednesday evening, February 5, at St. Mary's social hall. Playing will start at eight o'clock. Mrs. F. E. Gilmore is in charge of table reservations. The score cards, which include a refreshment service, are 50 cents each.

EDUCATORS DINE

Wednesday evening, in the new private dining room of The Palace Hotel, the association of Ukiah elementary school teachers held the monthly dinner meeting. Mrs. A. L. Tracy and Mrs. Cornelia McClure were in charge of the arrangements for the meeting which provided an informal hour of social exchanges. The table decorations for the affair included a crystal bowl filled with rose-pink carnations, pink candles and individual rose-colored baskets of nuts and sweets. Covers were laid for 12 educators at the dinner.

FARM CENTER'S WORK OUTLINED

Round Valley Ranchers Prepare For Worthwhile Year

(Special Correspondence of The Press)

COVELO, Jan. 27.—Pursuant to an invitation issued by Chairman W. W. Coke, of the Round Valley Farm Center, a committee of 18 gathered Thursday evening to lay plans for the coming year's work. Present with the committee were Assistant Farm Advisor R. D. Foot, who made a special trip from Ukiah at the urgent request of the local center, and Supervisor J. M. Rupe, of the third district, who was in town on official business. The committee proceeded to direct and energetic action. Projects for the coming year were decided upon, and chairmen appointed to conduct each project.

The Selections Made.

Pest control will be under the direction of G. W. Goforth, whose committee will work for the eradication of star thistle, morning glory and rodents. J. I. Hurt will have charge of alfalfa varieties. Grain variety test plots will be conducted by J. S. Rohrbough. A chairman has not yet been named for the soil improvement project, but G. C. Bauer will test out legumes for this purpose, and G. M. Biggar will experiment with commercial fertilizers. Roland Hurt will handle hogs for more profit, and Albert Winters will study sheep on the farm. C. S. Foster will deal with walnuts for Round Valley. Poultry possibilities will be presented by W. S. Osborne. J. I. Hurt will continue to direct the effort to obtain better drainage for the valley. G. M. Biggar was re-appointed chairman of the road committee. Supervisor Rupe commended highly the achievements of this committee, characterizing its leader as the best man in the northern part of the state for such work. Dairying, the most important single industry in our valley, will be studied under four heads. Harold Tuttle will give his attention to feeding and breeding, E. O. White to more dairies, and T. J. Lowry to the harvesting of grain. The control of tubercular trouble and abortion will be directed by J. B. Bellatti, one of the most widely experienced dairymen in the state, who has already accomplished so much toward making Round Valley and Mendocino county a tubercular free area.

All Capably Headed.

With these committees at work, each in charge of an enthusiast in his subject, our center can look forward confidently to a profitable year. Definite and rather elaborate plans were made for the program of February 3. The pot luck supper already announced for that occasion will be under the direction of Mrs. C. L. Hemenway and will be served at seven o'clock, in the domestic science room. At the conclusion of the dinner and while the guests are still seated around the tables, Messrs. Hemenway and Cyrus, of the membership drive committee, will explain their plan of campaign. Leaders will be appointed to choose sides for an attendance contest. The side having the fewest members present at the March meeting will be required to furnish entertainment for the April meeting. A question box will be ready, where all are requested to present in writing constructive criticism or questions in which they desire further enlightenment.

To Put On Program.

At 8:30 all will adjourn to the auditorium, at which time the committee will solicit memberships. Skelley's band and the ladies' trio have been invited to take part; there will also be popular singing. Local speakers will summarize the past accomplishments of the local center. An effort is being made to have an outside speaker present the state and national accomplishments. L. L. Sanders will report on the 4-H Club work. Philip Rohrbough will give the future farmer's creed.

The evening promises to be a real occasion. Don't miss it. The date, February 3; dinner at 7 p. m.; program at 8:30; adjournment at 10.

Missions Speaker Coming.

Another event of more than ordinary interest to the community is the coming of Miss Roberta Barr, a National Missions speaker, to Round Valley to speak at the Presbyterian church Friday evening, February 7. Coming from a wider field, Miss Barr should bring to us new viewpoints and a stimulating freshness of interest. Everyone is cordially invited to hear her lecture at the church at 7:30. There will be no charge. Miss Barr will arrive Thursday and will be entertained at the home of Mrs. Merry O'Ferrall, president of the missionary society. On that evening Mrs. O'Ferrall will serve a dinner to Miss Barr and the officers of the Dorcas Aid and the missionary society. On Friday afternoon Mrs. J. S. Rohrbough, president of the Aid, will entertain the members at her home in honor of Miss Barr.

Dorcas Aid Meeting.

The regular missionary meeting of the Dorcas Aid for January will be held at the home of Mrs. D. T. Johnson on Friday of the present week at 2:30. All members and interested friends are cordially invited to be present.

Ladies' Circle Met.

The Baptist Ladies' Missionary Circle met Thursday afternoon at the home of Mrs. Laura Russell. The afternoon was devoted to making bandages and other hospital supplies to be sent to Dr. Luis P. Leung for the Pickford Memorial Hospital at Kinhua, Chekiang, China.

Turkeys Sold Well.

Omar Bates on Monday last shipped 82 turkeys to the city market. The birds were fat and in prime condition, only three in the shipment failing to rank as first class. They were sold through the Turkey Growers' Association, netting the owner 34 cents a pound and bringing him a little better than $860 for the lot. He will ship 75 more in February.

Birthday Celebrated.

In honor of his eightieth birthday the sons and daughters of C. H. Hurt gathered at the paternal home in Covelo on January 20 to serve a dinner celebrating the occasion. Mrs. E. H. Long brought a great George Washington cake decorated with candles and green leaves. The tables were filled with chicken and sweets and everything necessary for a royal repast. A hale and hearty octogenarian is easy to understand when such cookery is at his service. At the dinner table were Mr. and Mrs. D. A. Brush with their three sons, Arnett, Nelson and Willard; Mr. and Mrs. E. H. Long, Mr. and Mrs. Roland Gray, Mr. and Mrs. J. I. Hurt, Mr. and Mrs. B. L. Hurt, Mr. and Mrs. Joe Hurt and their two little ones, Mrs. Ida Hollingsworth, Charles and Austin Gray. Other relatives and friends dropped in during the afternoon, making it an all day reception. Mr. Hurt hopes to vote the democratic ticket in 1950.

W. G. Collins, of Fort Bragg, was looking after his interests at the Mendocino Stock Farm in Williams Valley last week.

Mrs. Edith V. A. Murphey returned from a visit to the countyseat Monday.

G. M. Biggar returned the first of the week from a short visit to Fort Bragg and other coast sections.

House Caught Fire.

G. C. Bauer's house north of the grammar school caught fire Thursday morning about 9 o'clock. A telephone call for help from Mrs. Bauer, who was alone at the time, brought half a hundred citizens promptly to the rescue; but, with the help of Mrs. Bruce Henderson, a near neighbor, the fire was under control by the time they got there. The fire started from a defective kitchen flue. Most of the paper was burned from the kitchen walls before the flames were extinguished.

Mrs. Eliza Page left Thursday for Redwood Valley where she will make her home.

Mrs. Jack Crone returned to her home in the city Thursday after a visit with her grandparents, Mr. and Mrs. B. F. Haydon.

Building A Bridge.

Supervisor J. M. Rupe was in Round Valley last week looking after the construction of a bridge in cemetery lane and other phases of road work. The new bridge will be a more firmly constructed one than was the old structure. Piling is being put in for a foundation. Russell Ells is in charge of the work. A number of citizens are donating work and the county is furnishing the material. The bridge should be ready for use in a few days.

Would Co-Operate.

Mr. Rupe is also conferring through Sub-Agent Mueller with Superintendent Dorrington of the reservation in the hope of evolving a co-operative plan between the county and the Indian department for the improvement of the roads on the reservation. It was necessary to close down the reservation school for several days on account of the impassable condition of the by-roads.

Has Been Transferred.

Ray Short, the genial representative of the Baker, Hamilton & Pacific Company, made his farewell visit to Covelo last week. He has been transferred to the northern part of the state, with headquarters at Yreka, from which point he will work north through the Klamath Falls country. Mr. Short is an ardent sportsman. His enthusiasm and genial disposition have endeared him to the trade in this section. He will be greatly missed.

J. B. McCuisten, of Santa Rosa, was here looking after stock interests last week.

W. Hachl, the Willits representative of the Shell Oil Company, was in Covelo last week.

Orchestra Work Popular.

Enthusiastm is growing among the members of Lester Skelley's night class novelty orchestra. It numbers eight members at present—J. B. English, Shirley English, Harold Tuttle, Mrs. Dorothy Bostic, Art Chester, M. E. Gravier, J. G. Short and B. L. Hurt. We hope to see them making their bow to the public soon in some of our local entertainments.

Mr. and Mrs. Luther Morrison, Claude Morrison and March Begley drove to Ukiah Saturday, returning next day.

To Meet Saturday.

The next meeting of the Covelo Women's Improvement Club will be held at the auditorium Saturday, February first, at two o'clock. The committee on literature will be in charge of the entertainment. They will present a study of the old ballads, with readings and songs to illustrate.

Start Sewing Club.

Sixteen girls met at Hotel Covelo Saturday afternoon and organized a sewing club under the auspices of the farm center. The committee in charge of the organization consists of Mrs. Iris Hill, Mrs. Etta Futzhugh, Mrs. Louise McCombs and Mrs. Ella Osborne. Projects being undertaken are sewing, embroidery and flower making. The following officers were elected for the year: President, Gloria Long; vice-president, Lee Clark; secretary, Ellen Brown; treasurer, Margaret O'Ferrall; reporter, Imogene Lovejoy, cheer leader, Azile Long. After the program was over cake and lemonade were served.

Mrs. A. N. Moore has been confined to her home by illness several days.

REDWOOD VALLEY, Jan. 27.—Those who have been confined to their homes the past 10 days with influenza and heavy colds are Mrs. M. Laforet, Mrs. T. Gullickson, Mrs. Nels Nelson, Mrs. J. Branson, Mrs. and Miss L. Kistler, John Finne and B. W. VanVoorhis.

Mr. and Mrs. R. A. Steele, of Willits, were Sunday dinner guests of Mr. and Mrs. T. Jameson.

H. Koenig has returned to San Francisco after passing several days at the home of Mr. and Mrs. L. Waletschek. Mr. Koenig is secretary of the Baker's Union in San Francisco.

Otto Sauter, of San Francisco, has been visiting Mr. and Mrs. L. Waletschek, but has returned to his home in the city.

Mrs. T. Jameson was one of the guests at a party given in honor of Grandma Duncan, of Ukiah, Monday afternoon, in honor of her ninetieth birthday.

The P. T. A. program and refreshment committee met Sunday afternoon with Mrs. J. Branson.

To Have A Social.

The Farm Bureau has chosen the evening of February 8 for their hard-time basket social.

Rev. E. Holland, of Ukiah, spoke at the club house Sunday evening. The Sunday school attendance in the morning was 34.

Mr. and Mrs. H. Hull are rejoicing over the birth of a baby girl, born January 25. The little new stranger has been named Betty Anne.

Mrs. Oscar Huber was shopping in Ukiah Saturday for a few hours.

Meeting Night Changed.

The Redwood Valley Grange held a meeting Saturday evening instead of Friday, the date being changed to accommodate those who were desirous of attending the dedication program at the Ukiah union high school.

Had A Party.

Waino Bom's twenty-first birthday was celebrated in a fitting manner at the family home on a recent Saturday evening. About 70 friends shared in the pleasure of the party.

To Buy Projector.

The local Parent-Teacher Association is making plans for the purchase of a moving picture projector to be used in the school.

Mrs. J. U. Friend has returned to the Bom home here following a visit of two weeks with her husband in the bay district. Mrs. Frend returned with her brother, Alwar Bom, and Elmer Lampi.

NAMED BANK PRESIDENT

At the annual stockholders meeting of the Bank of Willits held in the northern city Wednesday C. M. Mannon was re-elected president. The name of C. M. Mannon also heads the board of directors on which James Mannon has also been re-elected.

OPENS OFFICE LONGER HOURS

Telephone Co. To Give Upper Lake A 24 Hour Service

Ukiah shortly will be able to talk any time during the 24 hours with Upper Lake, according to an announcement made last week by the Pacific Telephone and Telegraph Company, which has purchased the interests of the Northern California Telephone Company in that district. The line, which was formerly the Upper Lake Farmers' Telephone Association, will be routed from Ukiah through Lakeport.

Erecting A Building.

A new office building will be completed at Upper Lake and will be ready for use by February 1 when the added service will replace the present 13-hour circuit. With the new ownership in service there will be no change in operation or personnel in the area under the direction of Manager H. C. Gard, of Lakeport.

Need Was Urged.

The increased service will provide an important link in the transaction of official business and will fill a long felt want for Upper Lake.

Personal Mention

Jack Crawford was in town on an over Sunday visit to his parents, Mr. and Mrs. Leslie E. Crawford. Mr. Crawford has a fine position in the American Trust Co. Bank in San Francisco.

Thomas Ornbaun, of Anderson Valley, was a business caller in town Friday.

THIS IS THE NEW STRAIGHT 8 THAT STARTLED THE INDUSTRY

PRICED UNDER $1000

Weeks ago, leading newspapers were informed of a mysterious new eight-cylinder car which was performing incredible feats in the steep mountains of Pennsylvania.

Out of curiosity, and sensing a news story, automobile editors hurried to the mountains to investigate. There they saw feats of performance that set them to writing columns of praise about a new car whose very name was still a secret.

Now is revealed the name of that mysterious car—the car they proclaimed a sensation. It is the new Chrysler-built De Soto Straight Eight—priced at less than $1000.

"Another chapter in the history of the automobile industry . . ." "Never such excellent performance by an automobile in its price class . . ." "Of an entirely different style . . ." "The only car that stood up with it was one that sold for approximately $1500 more . . ." These are typical quotations from what the prominent automobile editors have been writing under their own signatures.

On the basis of overwhelming dollar value, the new De Soto Straight Eight is as outstanding in the eight-cylinder field as its famous companion car, the De Soto Six, is outstanding in the field of sixes. Every comparison verifies this fact.

"Shot Up" Signs Of A. A. A.; Fined $80

Using California State Automobile Association road signs as targets proved an expensive pastime for Virgil Brown, Oregon motorist, who was in this city two weeks ago enroute home. Mr. Brown was arrested and fined in Del Norte county for shooting highway signs with a high power rifle. He was fined $80 and given a three months' suspended sentence. The Association spends $25,000 yearly replacing destroyed signs and examples like the Del Norte one are always welcomed.

January Meeting Of County Supervisors

The Board of Supervisors of Mendocino County met at 3:30 o'clock P. M. Monday, January 13, 1930, in regular session, with the following present: N. P. Howe, E. L. Williams, E. M. Ford, J. M. Rupe and Charles R. Perkins, members; H. M. Burke, Clerk by M. A. Carpenter, Deputy Clerk.

This being the first meeting of the year, the board proceeded to re-organize and elected N. P. Howe chairman for the ensuing year.

The minutes of the last regular meeting were read and approved.

The board then adjourned to, and reconvened at 9:30 o'clock A. M. Tuesday, January 14, 1930, with all members and clerk present.

The board found and ordered that notice to bidders, advertising for sealed bids for fuel oil and service for the heaters of Mendocino County at the Court House and Detention home for one year, has been duly published, as required by law, in the Ukiah Republican Press. The bids received were publicly opened and read to the board and were as follows: Pioneer Fuel Oil and Burner Co., oil at 5½c per gal. and service on burner for one year; Empire Fuel Oil Co., oil at 6c per gal. and service on burner for one year. The matter was then continued to 1:30 P. M. of this day.

The District Attorney presented a report, as requested by this board, on the consolidation of Judicial Townships of Mendocino County and said report was accepted and placed on file, for further consideration.

The following appointments of committees of this board were made by the Chair: Auditing Committee, each member of the board with E. L. Williams as chairman; Building Committee, E. M. Ford.

The board of supervisors appointed the following named persons to the following positions: M. A. Carpenter, county purchasing agent, at the present compensation; Dr. S. L. Rea, supt. county farm and hospital and county health officer; E. A. Zimmerman, steward county farm and hospital; Mrs. Letta Zimmerman, matron detention home; Mrs. Blanche Burke, statistician.

The board then adjourned, to reconvene at 1:45 o'clock P. M. of this day with all members and clerk present.

The bid of the Pioneer Oil & Burner Co., for furnishing and delivering oil to Mendocino county for heaters and for service on same, was accepted as the lowest and best bid received and the bond required of said Pioneer Oil & Burner Co., on said contract was fixed at the sum of seven hundred dollars and the chairman was authorized to sign a proper contract and approve a sufficient bond on behalf of Mendocino county.

The board entered into a contract with L. P. Anker for the burial of all the indigent dead of Mendocino county during the ensuing year at the cost, to Mendocino county, of $27.50 per burial and authorized and directed N. P. Howe, as chairman of this board, to sign the said contract on behalf of Mendocino county.

The Mendocino County Farm Bureau presented a copy of an ordinance, for control of pear blight in Mendocino county, to this board and asked that it be passed. After considering said ordinance, the board deferred action thereon and instructed the District Attorney and County Agricultural Commissioner to cooperate in the drawing up of an ordinance for the control of pear blight in Mendocino County and submit the same to this board.

S. M. Orr, county inspector of the work of renovating and remodeling the offices in the old Mendocino County Court House, reported to this board that the contractor, C. M. Swanfelt, had completed the work in compliance with the specifications, including the extra labor and material, and the board thereupon adopted the report and accepted the work.

By unanimous vote of the board, the cost of the acquisition of certain new roads and the repair, maintenance, reconstruction, etc., of certain existing roads of supervisorial districts 1, 2, 3, 4 and 5 was charged to the County General No. 1, 2, 3, 4 and 5 funds respectively.

N. P. Howe, as chairman of this board, was authorized and directed to endorse a check for $215.35 from the Springfield Fire & Marine Insurance Co., for return premium on county fire insurance, and the County Clerk was directed to deposit said sum in the County General fund.

The necessary claims against Mendocino county were allowed, as shown by the allowance book for January 14, 1930.

The board then adjourned to, and reconvened at 9:30 o'clock A. M., January 15, 1930, with all members and clerk present.

Sealed bids for county advertising, to be opened at 2 o'clock P. M., February 11, 1930, were ordered advertised for.

The Dispatch Democrat was declared the official newspaper for county advertising until the further order of this board.

It was ordered that the board advertise for sealed bids for furnishing and laying cork carpet on the floors of certain halls and offices in the old Court House building at Ukiah; said bids to be opened at 10 o'clock A. M., February 11, 1930.

A communication was received from the Round Valley Farm Center requesting this board to preserve to the public, a thoroughfare up Middle Fork of Eel river and its two main branches known as Black Butte river and Middle Fork of North Eel river, and the District Attorney was instructed to advise this board on the necessary steps required to be taken to proceed with said matter.

The board then adjourned, to reconvene at 2 o'clock P. M. of this day with all members and clerk present.

The County Purchasing Agent was directed to purchase furniture and equipment from M. G. West Company, for County Court House offices, at a cost of not to exceed $1,000.

H. L. Bergstrom was employed by the board, at the usual and customary architects' compensation; to investigate and report on the matter of placing cells in the present county jail.

The County Purchasing Agent was directed to have the sewer in the county jail repaired.

The Grand Jury having recommended the consolidation of judicial townships, Potter Valley and Westport judicial townships were abolished and their territories annexed to Ukiah and Ten Mile river judicial townships, respectively.

At the request of the District Attorney, the sum of $500 was transferred from the County General Fund to the District Attorney's special fund.

The division of motor vheicles having requested this board to submit the names of two men for additional traffic officers in Mendocino County, and also the names of two men as alternates, the board submitted the names of the following men: Joseph Randolf of Fort Bragg for appointment as traffic officer and Roy C. Woodward of Fort Bragg, as alternate; Merrill Williams of Willits, for appointment as traffic officer, and Richard W. C. White of Willits, as alternate.

Pursuant to the order of Hon. H. L. Preston, Judge of the Superior Court, directing this board to select the names of 500 persons suitable and competent to serve as trial jurors in the superior court of Mendocino County during the ensuing year, or until a new list of jurors shall be provided, the board proceeded to select the names of 500 persons to serve as trial jurors in said court.

The board then adjourned to, and reconvened at 9 o'clock a. m., January 16, 1930, with clerk and all members, except Chas. R. Perkins, present.

N. P. Howe, as chairman of this board, was authorized and directed to endorse the following checks for Mendocino County, and the County Clerk was directed to deposit the same in the County General fund: From State Compensation Insurance Fund $1141.85, dividend on 1928 earned premium; from Edward S. Brown Co., $18.24 for return of premium on County Insurance; from Phoenix Insurance Co., $9.10 for return premium on county insurance; from Henry Spurr $30 for return premium on county insurance.

An erroneous assessment to A. W. Kern or State of California was cancelled and N. P. Howe as chairman of this board, was authorized and directed to sign, on behalf of Mendocino county, the order for said cancellation.

The following reports were accepted and placed on file: Traffic Officers for month of November, 1929; Agricultural Commissioner, Matron of County Detention Home, and Steward County Farm and Hospital, all for the month of December, 1929.

The County Purchasing Agent was directed to have the doors of the various county offices, in the Mendocino County Court House, lettered.

It was ordered that this board allow the American Legion drum corps the sum of $35 for painting sign on drum to advertise Mendocino County, if it is legal to make said appropriation.

The board then adjourned to, and reconvened at 1 o'clock P. M. of this day with the clerk and all members except Chas. R. Perkins, present.

The following orders relating to indigent matters were made: Applications for state orphan aid were received from Mrs. M. E. Ware, and Raymond Rose; applications for state aid to the needy blind were received from Sallie Bell and Abraham Aaron; Mrs. Florence Boorman of Willits was granted $20 in supplies through the store of C. Rickards for the month of December, 1929, only; Mrs. Albertina Dixon was granted a county allowance of $15 per month in supplies and cash through store of J. C. Halliday & Son, Point Arena, beginning February 1, 1930; state aid to Bassi children was discontinued Jan. 1, 1930.

The board considered the applications for state and county aid to the needy and made recommendations for aid, rejected certain applications and continued others.

The board thereupon gave the ladies of the social agent's department a vote of thanks for their assistance in the matter of the applications for state and county aid to the needy aged.

The county automobile, formerly used by the county nurse, and now in storage, was turned over to the county social agent for the use by her department until the further order of this board.

The board then adjourned.

Mrs. A. Sanchez left Monday for San Francisco where she will visit friends several days, later going to Stockton where she will remain with her mother a short time before returning to her home here.

TWO THINGS TO REMEMBER
By James W. Harrell

1. REMEMBER to stick to the job that you understand.
2. REMEMBER that we're good too—and so is our service. Our job is to keep the cars in Ukiah running long and smoothly. Satisfaction at a more than fair price.

Charges Made Regarding Neglect Of Natives Is Untrue

Reports which described the condition of Lake county Indians, their school facilities and home surroundings as "appalling," issued recently by Mrs. Anna M. Saylor, state director of social welfare, are refuted in a statement given out in Lake county after an investigation conducted by Mrs. Lucy Keenan, of this city, Indian health nurse; M. M. Kenan, supervisor of Indian schools for four western states; D. R. Swengel, Indian school supervisor for northern California, and D. F. McIntire, Lake county juvenile officer.

Facts Dispute Charge.

"Living conditions of the Indians are better than they used to be," Mr. McIntire said. "They may be bad from the white man's point of view, but the Indians make little effort to better their own conditions and will not co-operate with the white authorities."

Schools All Right.

Miss Minerva Ferguson, Lake county school superintendent, was told after the investigation the Indian school in the Westlake district was in exceptionally good condition, and those at Upper Lake, Lakeport and Big Valley in satisfactory shape.

SUMMONS

C. C. P., Sec. 844-845.

In the Justice's Court of Ukiah Township, County of Mendocino, State of California.

B. Weil, Plaintiff, vs. Frank E. Jones, Defendant.

The People of the State of California send Greeting to: Frank E. Jones, defendant:

You are hereby diercted to appear before me at my office, at 206 North School street, in said Township, and answer the complaint in an action entitled as above, brought against you in the Justice's Court of Ukiah Township, County of Mendocino, State of California, within five days after the service on you of this summons—if it is served within the city and county, township, or city in which this action is brought, but within ten days if it is served out of said township or city but in the county in which the action is brought, and within twenty days if served elsewhere.

And you are hereby notified that unless you so appear and answer as above required the said plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or he will apply to the court for the relief demanded in the complaint.

Given under my hand this 23rd day of November, 1929.

JOHN A. HOFMAN,
Justice of the Peace of said Township.

Ukiah Painter Has Failed To Show Up

Joseph Walkney, Ukiah painter, for whom a bench warrant was issued by Superior Judge Ross Campbell, of Sonoma county, when the man failed to appear in court last week to answer a drunk driving charge, is still a fugutive. The case was called on the criminal calendar in Judge Campbell's court for the third time since Mr. Walkney was held to answer on the charge filed in Cloverdale. Sheriff's deputies are in possession of the warrant, but thus far have found no trace of Mr. Walkney.

Dogs Killed Sheep; Owner Pays Losses

Monday morning two dogs were caught killing sheep on the Perry Smith ranch on the Sherwood road just north of Willits. One of the dogs was a stray and was killed; the other dog was caught and delivered to the owner, who agreed to pay the damages and ship the dog out of this section at once. This is the third time within the past few months dogs have been caught killing sheep in the valley.

WILLITS RAINFALL

Light rains last week have given a total of 1.63 inches to add to the seasonal precipitation for Willits. The total now is 27.71 inches. This is comparable to last year's figures of 18.54 inches for the same date. The weather has been threatening all week in Willits.

UKIAH WOMAN ASKS DIVORCE

Jane Poma Alleges An Untruth Was Used By Her Husband

California divorce laws are being searched by Judge Edmund P. Mogan, of San Francisco, in an effort to find legal justification for granting an annulment of marriage to a wife because her husband fibbed about his age.

Gave Wrong Age.

Mrs. Jane Poma Farnand, 19, of Ukiah, complained Merle Joseph Farnand falsely said he was 21 when he got a license and married her March 2, last. They were wed by Rev. W. J. Sherman at the Temple M. E. church and, said Mrs. Farnand, she was happy four months. Then she testified, her husband told her he no longer loved her and was not her legal husband as he was not 21 years old.

Committed Perjury.

Judge Mogan continued the case a week to look up the law and advised the girl's attorney, R. C. Ogden, to take up with the district attorney, Mr. Farnand's alleged false statement about his age. "This is a case of perjury and should be prosecuted," said Judge Mogan. Mr. Farnand lives in El Centro.

Mr. and Mrs. George H. Perry, who recently purchased the Mack ranch at Comptche, plan on shortly moving to the coast and living on their property.

Get Your License Or Stand A $3 Penalty

After Friday all who have not applied for license plates will be required by law to pay a double fee, according to announcement made last week by the division of motor vehicles. In the case of privately owned cars this will mean $6.00 instead of $3.00. For trucks or other commercial vehicles it will mean a great deal more as the fee for such vehicles is based on weight. In addition to paying double the motorist who fails to apply for plates is liable to arrest and to have his car tied up. More than 1,500,000 of the new plates have been issued thus far.

50 horsepower six-cylinder engine

Not until you drive the new Chevrolet Six can you appreciate what a wonderful improvement has been made in its famous six-cylinder valve-in-head engine. With its capacity increased to 50 horsepower, it has great reserve energy for sweeping up the steepest hills—for swift acceleration—and for sustained high speeds. Its power flows evenly and smoothly. And it is extremely flexible in traffic. In fact—it does everything you could possibly want a motor to do. Yet it is remarkably economical in its use of gasoline and oil. Come in today for a demonstration.

ODD FELLOWS TO BUY HALL

Boonville Lodge Plans Acquiring Of Moving Picture Theatre

(Special Correspondence of The Press)

BOONVILLE, Jan. 28.—Officers of the Farm Center are trying to induce S. E. Fitch to take charge of the 4-H Club work here this season. Mr. Fitch feels he has not the time to devote to the work the projects call for but everyone interested is hoping he will re-consider and consent to fill the post. Mr. Fitch is exceedingly well qualified for the position as he is a great favorite of all the boys. He has had considerable practical experience besides having attended the University at Davis, after completing his high school work here.

To Entertain Children.

The Unity Club will have as guests all the children of the Valley January 29 at a movie at the high school. The picture will be Jackie Coogan in "The Bugle Call." Adults will be charged the usual admission price, but all children are invited to attend free of charge.

Mr. and Mrs. V. R. Rawles were hosts at a delightful bridge party given at their home Saturday evening. Enjoying their hospitality were Mr. and Mrs. Albert Ferrell, Mr. and Mrs. A. R. Johnson, Mr. and Mrs. J. M. Johnson, Mr. and Mrs. F. A. Rawles, Mr. and Mrs. C. A. Tarwater, Mr. and Mrs. D. MacKintosh, Mr. and Mrs. M. W. Tindall, Mr. and Mrs. R. M. Zane.

Bought Ferrel's Hall.

The local order of Odd Fellows have purchased Ferrel's movie hall and will remodel it for lodge rooms, it is reported they also purchased the movie equipment. They tried some time ago to buy the Boonville hotel from J. E. Berry but this deal was not consummated on account of the time required to clear up the title.

Mr. and Mrs. Jack Kepple, of Cotati, were guests over Sunday at the J. M. Hutsell home.

Mr. and Mrs. Jesse Swanson had as guest over the week-end Mr. Swanson's mother from Lakeport.

Mendocino Won and Lost.

Mendocino high school played basketball here Friday. Their girls' team piled up a score of 35 to Boonville's 25. The B team defeated our B team to the tune of 16 to 9, but their A team was still wondering what it was all about when the game finished with a score of 14 to 4 in our favor. Mendocino believes in carrying all the support possible, as they brought close to 40 players to make up the teams, and their B team continually changed players, which of course helped to make their score climb. Available substitutes on our B team were not used by our coach.

Clever Games Enjoyed.

The Point Arena basketball teams played here Friday, January 18, both the Class A boys' team and the girls' team being defeated. As Point Arena does not have a Class B team the alumni team played the local alumni and helped even honors by defeating them. The Class A teams were very evenly matched and the spectators were in doubt as to the outcome until the final whistle. Boonville won by a very small score. The local girls, however, so far outplayed the coast team there was really no competition at all.

Some Future Games.

Mendocino will play here Friday night and it is understood our team will play Fort Bragg some time during the week, probably Tuesday night. This game is necessary to straighten out the schedule and was caused by the first game of the season, with Fort Bragg, being canceled on account of sickness there. It will, however, be rather hard on our teams to take the 100-mile trip during the week and then meet another team Friday evening.

Plan Lively Year.

The regular meeting of the local Farm Center was held Monday evening. Plans are under way for a very interesting program for the coming year. Refreshments were served at the close of the business session.

Society Had Meeting.

The Ladies Missionary Society meets Thursday afternoon at two o'clock. Mrs. Nellie Hartly, president, is anxious to have all members present and if not a member they will be more than glad to have visitors.

At Lodge Installation.

The joint installation of the Anderson Valley Lodge of Odd Fellows and the Redwood Rebekah Lodge of Anderson Valley was held recently with officers from Ukiah conducting the rites of installation. The officers of the Rebekah lodge were installed by Veta Morby, D. D. P.; Kate Sloper, D. M.; Mae Beckley, D. Ward.; Emily Miller, D. Sec.; Anna David, D. Tr.; Frances Burke, D. I. G. The following were inducted into office: Chrystine Burke, N. G.; Alice Gowan, V. G.; Marguerite McAbee, Sec.; Zola Willis, Treas.; Sarah Cureton, Ward.; Frances Burke, Cond.; Retta Witherell, chaplain; Ella Hogan, R. S. N. G.; Eliza Clow, L. S. N. G.; Blossom June, I. G.; Edward Gowan, O. G.; Margaret McAbee, R. S. V. G.; Elizabeth Silvers, L. S. V. G.; Emily Presley, R. A. S.; Virginia Clay, L. A. S.

Odd Fellows Ceremonies.

In the I. O. O. F. lodge the installing officers were G. M. Miller, D. D. G. M.; R. E. Cook, D. D. G. Marsh.; O. L. Hull, D. D. G. Ward.; E. A. Zimmerman, D. D. G. Chap.; G. G. David, D. D. G. Sec.; Amos Branscomb, D. D. G. Treas.; Gus Sindt, D. D. G. Sent.; and the officers seated included Leo Sanders, A. P. G.; Ralph Brown, N. G.; W. P. Burke, V. G.; S. T. McAbee, Sec.; Edwin Hogan, Treas.; Ross Adams, Ward.; Cecil Gowan, Cond.; Geo. Estes, I. G.; A. W. Gossman, O. G.; W. L. Witherell, R. S. N. G.; Henry Nunn, L. S. N. G.; Geo. Clow, R. S. S.; A. B. Willis, L. S. S.; J. E. Sweet, Chap.; M. E. Silvers, R. S. V. G.; Wayne P. Burke, L. S. V. G.

UKIAH FIRE DEPARTMENT HAS BEEN PROVIDED A DORMITORY

City Boasts One Of The Most Efficient Bodies Of Volunteers To Be Found In The Entire State

For real, unselfish service to the community no organization in Ukiah is on a par with the Ukiah Fire Department which is of more real worth than riches and it is interesting to note how the service by which thousands of dollars are saved property owners annually is maintained. When the siren sounds out its jarring note the big fire engine, completely manned, is on its way before the last echoes die out. Until recently but two beds were maintained in the small room in which the night men carried the men to the seat of the fire engine. Today, because of the co-operation of the citizenry, the city council and others the department maintains eight beds and consequently eight fire-fighters are on the job the instant danger warns. The added equipment came about when the city council, realizing the auditorium in the city hall was of unnecessarily large proportions, offered the School street side to the department for a dormitory. The department did the rest, which means the room was walled off and a large airy room constructed which affords ample space for eight beds, a shower bath, lockers and other conveniences. In exchange for their service firemen, without home affiliations, are given sleeping quarters in the building. The men not only respond to fire alarms, but are wide awake to community interests.

Buy Equipment.

They have purchased and have ready for emergencies an inhalator for use in the cases of new born babies, drowning persons and those overcome by smoke. When word went about the city the life of Dr. F. E. Rea was hanging by a thread and blood transfusions would be necessary it was the Ukiah Fire Department that quickly called together volunteers who remained on call all night to give their blood to save the life of a fellow citizen.

Are Ever Ready.

All these and many more acts of unselfish service may be directly traced to the door of the volunteer force that stands between the safety of home life and the greatest destroyer of all times—fire.

Merit Their Good Name.

Is it any wonder the fame of the Ukiah Fire Department has spread far and wide and salaried members of the department of big cities come here to look the boys over? And when they do they are offered lodging in the fine new quarters during their stay in town and they carry back with them nothing but praise and admiration for Ukiah.

CAUGHT IN STORM

A party of Upper Lake fishermen, including Peter Grigsby and Lee Scoggins, were snowbound recently while fishing for salmon on Eel river northeast of Longvale. Their failure to return Sunday to their homes caused a rescue party to set out to look for them Monday. The party, made up of Bob Lafferty and two others, found the marooned ones enroute home but traveling slowly and with great difficulty by reason of the heavy fall of snow in that vicinity. The fishermen returned late Monday evening with eight fine salmon averaging over 20 pounds each.

Officer's Age Limit Provoking Interest

There is considerable discussion about the age limit for traffic officers who were just appointed in this county. There were scores of applications before the board of supervisors at the last meeting and only two were to be appointed, with two alternatives. The age limit was from 23 years to 36 years, and the district attorney interpreted it in this way: The applicant must be at least 24 years of age and not over 35.

Aged Pine Grove Lady Fell And Broke Hip

Mrs. Dave Gordon, pioneer resident of Pine Grove south of Caspar, fell at her home at that place and broke her hip and is at the Redwood Coast hospital, Fort Bragg. On account of Mrs. Gordon's extreme age—she is well on to 90 years—and her general condition, it is unlikely she will recover.

600 Volumes Given To Library During Drive

The committee in charge of the "Give a Book to the Library Week" very much appreciate publicity given the effort by the local press, the co-operation of the public which has added 600 volumes to the library shelves and the artistic posters made by Philip Joseph, Jr., art student, which were on display during the week and which netted the young man first and second prize in the poster contest.

Education Board To Check On Supplies

The Mendocino County Board of Education was in session several days last week for the purpose of standardizing school supplies, as is customary each year.

An Obliging Beauty Doctor

A Beauty Specialist Gives Home-Made Recipe To Darken Gray Hair.

Mrs. M. D. Gillespie, a well-known beauty specialist of Kansas City, recently gave out the following statement regarding gray hair:

"Anyone can prepare a mixture at home that will darken gray hair, and make it glossy. To a half-pint of water add one ounce of bay rum, a small box of Barbo Compound and ¼ ounce of glycerine.

These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look twenty years younger. It does not color the scalp, is not sticky or greasy and does not rub off." (Advt.)

HERE SHOPPING

Among the Lake county folk shopping in town during the week were Mrs. Thora Lindeblad and sons, Irving and Buddy, Claud Woodward and mother, Mrs. M. E. Woodward and sister, Mrs. J. Robbin, Mr. and Mrs. Guido de Ghetaldi and Francis Lucas.

ATTENDED MEETING

Senator F. C. Handy was in the state capital recently to attend a joint highway district problem meeting held before a legislative committee of which the local statesman was chairman. Delegations from Redding, Santa Cruz and various points in the San Joaquin valley attended the meeting.

Nearly two score of the leading agriculturists of Mendocino county were in Ukiah Friday to attend a meeting in which H. H. Morrell, of Berkeley, director of organization, California Farm Bureau Federation, held a school of instruction for leadership in a movement for a more energetic and interested membership. Among a few of the farmers present were W. T. Clow, George Clow and George Davis, of Willits; A. Gordon, of Mendocino; W. Smith, of Elk; C. M. Avery and George Wilson, of Hopland; H. H. Mitten, Willits; H. J. June, Boonville; Mrs. A. M. S. Kinsler, Redwood Valley; Franz Grothe, George Cook, J. C. Johnson, Ruel Stickney, Mrs. A. Romer, Mrs. Jas. Holtz, James Holtz, Ukiah; C. R. Yarbrough and John Finne, Redwood Valley.

Man So Nervous Feels His Stomach Jump

"I got so nervous my stomach felt like it was jumping. Vinol entirely relieved the trouble. I feel better than in years."—J. C. Duke.

Vinol is a compound of iron, phosphates, cod liver peptone, etc. The very FIRST bottle makes you sleep better and have a BIG appetite. Nervous, easily tired people are surprised how QUICK the iron, phosphates, etc., give new life and pep. Vinol tastes delicious.—Morris Drug Co. (Advt.)

Mrs. Malcolm McCloud, who resides at Potter Valley, reached here Sunday night enroute home from a trip to San Francisco.

Mrs. M. H. Iversen and Mr. and Mrs. Adolph Henrich passed several days in San Francisco, returning home Friday evening.

Hoplanders Elated Over Five's Showing

(Special Correspondence of The Press)

HOPLAND, Jan. 28.—Mrs. Robert L. Buckman was shopping in Ukiah Tuesday afternoon.

Mrs. Anna Ede, of Modesto, is a guest of her daughter, Mrs. Bessie Duncan, this month.

Mrs. Van Harpe, whose serious illness has been a matter of grave concern to her many friends, is now on the road to recovery.

Beat Ukiah Five.

The Hopland high school basketball quintet has been enthusiastically congratulated following their decisive victory over the Ukiah union high school's unlimited five at Ukiah recently. The score was 17 to 12 in favor of the local boys. Charles Shimmin was easily the star player of the Hopland team. In the preliminary game Ukiah's Class B team won over the local grammar school quintet.

They Played Bridge.

Mrs. John Bogardus entertained at bridge recently in honor of the birthday of her husband, who is head of the Hopland Farm Center. Those who enjoyed the dinner and bridge game included Dr. and Mrs. J. H. Hansen, of Ukiah, and Mr. and Mrs. Perle Crawford and Mr. and Mrs. W. L. Crawford, of Largo.

Won Over Kelseyville.

The Hopland unlimited high school basketball team defeated Kelseyville high school team Tuesday of last week by a score of 17 to 6.

Don Macmillan, local business man, passed several days in San Francisco last week.

Mr. and Mrs. Russell Patteson had as recent guests Mr. and Mrs. F. Patteson, of Healdsburg, parents of the local service station manager.

Mr. and Mrs. Francis Allen, of Oakland visited friends and relatives here last week.

Lem Salladay, of Santa Rosa, visited at the home of his daughter, Mrs. Russell Patteson, here last week while attending to business matters.

At Bridge Luncheon.

The ladies of the Hopland Bridge Club motored to Ukiah last week where they were guests of Mrs. Paul Mathews at a bridge luncheon. Mrs. Mathews has frequently enjoyed the club meetings here while a guest of her sister, Mrs. Russell Patteson, and the return courtesy was greatly appreciated here. Mrs. Frank Furniss and Miss Marie Dooley won the score awards.

Passed Examinations.

Robert Harmon, who has been substituting at the Farley school, near Laytonville, for Miss Elena Del Grosso, who was ill, returned to his home here recently and left for San Francisco where he enrolled at the winter session of the San Francisco State Teachers College. The young man was successful at the examinations held at Ukiah for elementary school certificates following his graduation from the high school here.

Mr. I. Carpenter, who lives north of Calpella, has placed an order with us for a carload of lumber for the construction of new poultry houses. When these are finished it will pay other poultry men to look at these buildings because Mr. Carpenter is incorporating in them some of the very latest ideas.

FINAL FIGHT OVER BRIDGE NOW NEARING

Opponents Of Golden Gate Span Facing A Last Test

LONG BATTLE IS ENDING

Preliminary Work Is Completed—Foundation Is Excellent

Ferryboats belong to the era of horse-drawn vehicles.

Bridges are monuments to progress.

A great city with water barriers and no bridges is like a skyscraper with no elevators.

San Francisco is the only important city in the United States entirely dependent on ferryboats for ingress and egress.

Spoke To Rotarians.

With these epigramatic statements Joseph B. Strauss, chief engineer for the Golden Gate Bridge and Highway District, painted the necessity for bridging the Golden Gate, in a luncheon address before the San Francsco Rotary Club at the Palace Hotel, San Francisco, last week. More than 400 Rotarians and their guests listened intently as Engineer Strauss, in clean cut and forceful statements, outlined the bridge project and flayed the interests that have raised futile objections in their efforts to block what he termed "the most important project California or the west ever have known."

"The Golden Gate Bridge will materially reduce taxes in the district it serves," Mr. Strauss declared.

Bridge A Money-Maker.

"We have had a careful traffic survey completed that shows a traffic earning that will not only be sufficient, but will make it a large money-earner in all the years to come.

"When our opponents failed in every other point they had brought up, they cried the bridge across the Golden Gate would not pay.

"This was in the face of the well known fact toll bridges, all over the country, have an established record as money-makers. That is why toll bridges are built and operated by private individuals for private gain.

The Proof Is Plain.

"No business establishment is continued in operation from year to year unless it pays a return. The fact so many bridges are being built and paying such handsome returns that Congress has been asked to intervene is evidence toll bridges are paying business propositions."

Cost Of The Bridge.

Touching upon the matter of the cost of the Golden Gate span, Engineer Strauss declared no competent bridge engineer has ever intimated it would cost in excess of his $30,000,00 estimate. No one has given a cost figure of $100,000,000," Mr. Strauss said. "That is, with the exception of certain men who testified for the opposition as 'engineering witnesses,' but who are not practicing bridge engineers and have had no experience in long span bridges.

"My figures have been substatiated by the leading bridge engineers of the country, O. H. Ammann and Leon S. Meisseiff, who are engaged with me in the construction of the Hudson river bridge in New York.

Samples Of Accuracy.

"The same men who testified the Golden Gate bridge would cost $100,000,000, testified that the test borings, now near completion, would cost $2,000,000. They were just $1,970,000 off. The costract for the borings was let at $29,940, or just $60 below my estimated figure of $30,000 for the work.

"It is reasonable to suppose they are just as far off on their estimate of the actual construction cost of the span."

Foundation Is All Right.

Engineer Strauss declared the borings have revealed conditions that have entirely substantiated the reports of geologists employed to report on the rock formations for the piers and anchorages.

"As far as the physical aspects are concerned," he said, "we could begin work on the bridge now.

"The War Department looks with favor on the construction of a bridge across the Golden Gate, and there is small doubt a final permit will be issued when the plans and specifications of the structure have been submitted." Officials of the Golden Gate Bridge and Highway District were guests of honor at the luncheon.

Heard Over Air.

Engineer Strauss' address was broadcast over radio station KPO and thousands of listeners throughout San Francisco and the north bay counties heard it.

Decision Soon To Come.

Announcement by the United States supreme court as to whether it will take jurisdiction in the Golden Gate bridge district litigation, on appeal from the state supreme court, is expected this week, it was indicated when Attorney General U. S. Webb filed his brief in the case with the highest court.

No Issue Involved.

Attorney General Webb, on behalf of the bridge district, contends in his brief that the contenton of C. L. Crawford, Mendocino county taxpayer, in whose name the matter was appealed from the state court, the district act takes the property of a taxpayer without due process of law is premature. This view is based on the ground that the state court did not pass on the validity of any tax or assessment to be made by the Golden Gate Bridge and Highway District. George H. Harlan, San Rafael lawyer and attorney for the bridge district, is now in Washington, representing the district before the supreme justices.

MANY ATTENDED

A capacity audience was present Friday evening when the dedication service for the new $150,000 Ukiah union high school opened. Following the program, which featured an address by Dr. T. W. McQuarrie, president of the San Jose Teachers College, the large assemblage was shown through the completely equipped building which is a model school plant second to none in northern California.

LOST FORTUNE; MAN SUICIDES

A. C. Teagarden Killed Himself At Ft. Bragg Saturday Last

A. C. Teagarden, said to have been a retired lumberman from Los Angeles, committed suicide Thursday at Fort Bragg to which city he had gone, according to reports, to seek employment with the Union Lumber Company following heavy losses in the stock market. The unfortunate man, who was about 50 years old, arrived in Fort Bragg on the steamer Noyo Thursday and was a guest of the Union Lumber Company at one of their guests houses to which he retired after arrangements had been made to put him on the payroll of the company.

Used A Revolver.

Failing to appear for dinner, C. B. Johnson went to his room and found him stretched lifeless on the floor. A note, said to have been addressed to a lady at Los Angeles, begged forgiveness for the deed. An examination showed Mr. Teagarden had shot himself through the forehead with a 38-caliber revolver.

Will Begin Work On Gold Property Soon

T. D. Ruddock, of Anderson Valley, was here yesterday and stated orders had been placed for machinery which will be used in developing 1500 acres of placer land in Calaveras county. The gravel runs $1.00 a yard, Mr. Ruddock says. Shovels to handle 1200 yards of gravel a shift have been secured and three shifts will be run. A Plymouth locomotive will be used to haul the gravel to the washers. All of the machiery will be operated electrically.

WITH TELEPHONE CO.

Miss Leona Layman has succeeded Miss Mary Gantz as clerk and stenographer in the plant department of the Pacific Telephone & Telegraph Company's offices here. Miss Gantz resigned recently to take the position of secretary to Farm Advisor C. S. Myszka.

TO MOVE

The Chamber of Commerce is to move May 1 to the Cambot building on North State street, which will be remodeled.

Lake County Resident Makes Heroic Race To Dying Husband

USED SKIS AND PLANE

Dared Mountain Snows And A Long Flight In The Air

Samuel Dowell, uncle of Mrs. E. L. Cunningham of this city and Judge Benjamin C. Jones of Lake county, passed away at his home at Upper Lake last week. Funeral services for Mr. Dewell were held Thursday. When Mr. Dewell was first stricken with the illness that proved fatal his wife, Mrs. Margaret Dewell, was visiting a niece in a mountainous region of Washington.

Made Dangerous Race.

When she received word of her husband's illness Mrs. Dowell made her way over 30 feet of snow on snowshoes, arriving at Seattle where she took passage in an airplane for San Francisco. She reached her home in Upper Lake Monday, winning her race against death by 24 hours.

Indian Orchestra To Play At Coast Dance

A genuine Indian dance orchestra will play for their white friends at Manchester or Point Arena Monday, February 3, at Hopland on Tuesday, February 4, and at Willits February 5. The piano and banjo player comes from Fresno county and is a member of the Chuck-Chauce tribe of Indians. The saxophone player is a member of the Hupa tribe from Humboldt county. The violinist is a member of the Pino tribe and has been under contract in Hollywood and has played over the radio. The drummer is a member of the Pomo tribe of Sonoma county. It has been reported the orchestra has been favored with unusually large crowds at their dances. Their present dances are announced as "Hard Times" dances. Their friends are invited to wear their old clothes and are assured barrels of fun.

Won Coveted Honors In A U. C. Contest

From the University of California last week word was broadcasted the University debating team had been selected from a large class of aspirants, and it was a great gratification to Ukiah friends of the pioneer John Taylor family of this city to learn Jack Taylor, son of Mr. and Mrs. J. Lee Taylor of this city, was one of the successful few. Already many offers have been received at the university for debating contests with other colleges. The subject chosen by Jack Taylor to "put over" his ability as an orator was "Disarmament" and how well he convinced his jury of superiors is told in his selection as a member of the team. The young man is a graduate of the Ukiah high school with the class of 1926 and is a Junior at the university. Among other successful candidates was Jack Reynolds, president of the student body and a student from Oxford, which proves the competition was keen.

AT THE PALACE

The following Mendocino county residents were registered at The Palace Hotel during the week: S. E. Lee, Laytonville; E. L. Green, R. Shannon, L. E. Grimes, C. B. Melville, Geo. Nichols and Cliff Brows, of Fort Bragg; John Bellatti, Mrs. S. P. Steen, of Covelo; Mrs. Annie R. Babcock, Willits; Oliver Cureton, of Philo.

Press Want Ads Always Register

Last week Jos. Lang, of Hopland, wished to sell a number of cows and sent a classified advertisement to The Press to be run three weeks. However, after the ad had appeared the second time all of the animals had been disposed of and Mr. Lang has written asking the advertisement be discontinued. Because almost everyone in this part of the state reads The Press advertising in the classified columns of The Press always brings satisfactory results.

THE EXAMINER PRAISES HANDY

The San Francisco Examiner Saturday had the following comment on the determination of Senator Fred C. Handy to seek re-election in this senatorial district; "Members of the State Legislature and others throughout the state in touch with legislative activities learned yesterday with interest of the candidacy of Senator Fred C. Handy, of Ukiah, for re-election. Senator Handy holds the high esteem of a great number of persons with whom he has contacted during his legislative service. This runs through eight years in the state senate, with every prospect that he will be returned, his friends assert, for a third consecutive term. Under the new reapportionment, effective this year, Senator Handy will run from the Fourth Senatorial District, composed of Mendocino and Lake counties."

FURNITURE CO. CHANGES HANDS

John C. Ventura Buys Interests Of C. A. Gowell In Firm

The interest of C. A. Gowell in the Northern California Furniture Co. was this week purchased by John C. Ventura, and hereafter the business will be conducted by Clifton Olive and Mr. Ventura. John Ventura for years was associated with the J. W. Eversole & Son furniture business here and later on was with B. L. Cleland in a like business. He has a good knowledge of the business and enjoys a wide acquaintance. Mr. Olive is a veteran in the furniture line and is rated an authority on house furnishings. The new firm is destined to do a nice business.

To Remain Store.

E. A. Eversole, it is understood, will be connected with the firm and will devote as much of his time as possible to the store.

See The De Soto 8-Cylinder Sedan

The handsome De Soto Eights will be on display at the showrooms of Floyd Banker, the Ukiah Auto Supply Co., Saturday next. Go and see the cars. They are beautiful, economical to operate and create a sensation everywhere.

Army Aviator Goes To The Richfield Co.

Captain E. L. Curtis, former airways extension superintendent of the Airways Division, U. S. Department of Commerce, and more recently associate airways engineer of that department, has become associated with the Richfield Oil Company of

CAPT. E. L. CURTIS

California as chief engineer of the service division of its aviation department, according to an announcement just made by C. B. Garretson, vice president. Captain Curtis left the air mail service in May, 1927, to become airways extension superintendent in the U. S. Department of Commerce, later being transferred to San Francisco as associate airways engineer in charge of the Federal Pacific Coast airways, which duties embraced the maintenance of all beacons. He is a captain in the air corps reserve, United States Army, is a transport pilot, and has had over 3500 hours of actual flying experience.

Supervisor C. R. Perkins was in the city Monday enroute to San Francisco.

MILK BOTTLE DISAPPEARS QUITE OFTEN?

Housewives Are Irritated Over Thefts From Doorsteps

HOBOES ARE SUSPECTED

Junglemen Need Nourishment These Severe Mornings

Many complaints are reaching local officers from irate housewives who report the morning or evening milk missing from the doorstep when breakfast is about to be served.

Boys Are Offenders.

Chief of Police W. F. Ornbaun appreciates fully the household loss and is doing his best to run down the culprits, but in the meantime advises housewives to take the milk in when it is delivered and so avoid the annoyance. It is the opinion of the police chief boys are partly responsible and perhaps hoboes who congregate near the railroad tracks may have a hand in the depredations. Since it is no longer lawful for junk dealers to buy milk bottles from any source it is unlikely the milk is stolen for any purpose but that of hunger. A nearby city has been reporting bread stolen from stores where it was left by metropolitan delivery trucks early in the morning. When a watch was kept it was found the bread was taken to supply a hobo "jungle camp" near by and it is likely a similar condition exists here.

Banking Conditions Hereabouts Reviewed

William Bromley, cashier of the Savings Bank of Mendocino County, was among the 100 bankers in attendance at the dinner meeting of Group 8, California Bankers' Association at the Occidental Hotel in Santa Rosa Saturday evening. W. J. Schultz, of the Coast National Bank at Fort Bragg, is president of the group. "Better Banking" was the principal topic, the speaker being E. D. Holly, chief deputy of the state banking department. Other speakers were W. D. Ellis, president of the Federal Land Bank of Berkeley, who talked on "Safe Farm Loans;" A. B. Swain, president of the Sebastopol National Bank and a member of the executive committee of the Sonoma county clearing house association; H. W. Landers, secretary of the California Bankers' Association, and C. E. Lowell, chief examiner of the state banking department.

Miss Mary Melville Weds An Oaklander

The wedding of Miss Mary Vivien Melville, daughter of former Assemblyman and Mrs. C. B. Melville, of Fort Bragg, and Everett Dow, of Oakland, will be heard with much interest here where Mrs. Melville, mother of the bride, passed her girlhood. The wedding was solemnized at the Tenth Avenue Baptist church, Oakland, Saturday, January 18, with Dr. George Phillips officiating in the presence of a few family members. After the ceremony the wedding dinner was served at Drake's in Berkeley and the young couple left the following day for Yosemite where they passed the honeymoon and are now at home to their friends at 1108 Francisco street, Oakland. Miss Melville is a graduate of the Fort Bragg schools and business college and has been holding a responsible position with the clerical force of the Coast National Bank. She is a charming young woman and popular in the coast metropolis. Mr. Dow is an accountant with a large business firm of Oakland. Prior to her marriage Mrs. Melville, mother of the bride, was Miss Ida Mills, of this city.

WILLITS MAN'S SLAYER GUILTY

The jury in the case of John A. Wright, Klamath Falls plumber accused of the murder of Sydney Darling, hotel owner, at Klamath Falls, returned a verdict of first degree murder against Mr. Wright with recommendation of life imprisonment.

Sid Darling was a former resident of Willits and while at that place conducted the moving picture theater, moving from Willits to Klamath Falls.

DIED IN OAKLAND

Mrs. Susie Wilson received word last week of the passing of her sister, Mrs. Mary Catherine Burckhalter which occurred in Oakland January 23. Mrs. Burkhalter is an aunt of Mrs. M. N. Donohoe, of this city, and of E. E. Holbrook, former Mendocino county recorder, who resides at Martinez. A daughter and four sons survive. Mrs. Burckhalter was well known here.

MAJOR FUGITT DIED SUDDENLY

Former Resident Passed Away In The City On Saturday Last

Word reached here this week of the passing in San Francisco Saturday of Warren M. (Major) Fugitt, husband of Alice Sweasey Fugitt, who resided for several years at Talmage where he was employed at the Mendocino state hospital.

Was Highly Regarded.

Funeral services for Mr. Fugitt were held in San Francisco Monday and were under the auspices of the Benevolent Order of Elks. The death of Mr. Fugitt was learned with great sorrow here. He was in the prime of life and no intimation of a serious illness had been received here. It was while he was employed at Talmage Mr. Fugitt become affiliated with the Santa Rosa Lodge of Elks, in which organization he held membership up to the time of his passing, which occurred at the family home in San Francisco. Beside his wife, who is a member of the pioneer W. H. Force family of this city, and a niece of Tom Force, of Talmage, a daughter survives.

'White Collars' To Be Produced By Students

The Senior students of the Ukiah union high school have completed plans for staging the annual Senior class play, "White Collars," the famous New York production, at the new high school auditorium on Friday evening, February 7, and tickets are now on sale by students and may be reserved at Morty's. The play starts promptly at eight o'clock. Since the new auditorium seats 990 persons and every seat is sure to be sold it is easy to predict the most successful production in the last line of auspicious performances credited to Senior classes in the past.

Tonight's Game Has Been Declared Off

The basketball game between Lakeport and Ukiah scheduled for tonight has been called off because of smallpox in Lakeport. The next game the Ukiah team will play will be with Santa Rosa here, Friday evening, February 7. Ernie Nevers, famous as a football player, will be with Santa Rosa in the contest.

ABLE TO BE OUT

Dr. F. E. Rea has so far recovered from his recent critical illness as to be able to be out a short time each day and is gaining strength rapidly.

IS IMPROVING

The condition of Mrs. R. E. Donohoe, stricken before the holidays with a grave illness, is reported as excellent by Dr. J. H. Hansen, attending physician.

VISITED FRIENDS

George M. Mann, owner of the Redwood Theatres, which include 13 playhouss in the Redwood Empire, accompanied by Manager Charles Koehner, of the Redwood Theatres corporation, was in Ukiah Friday night and while here were guests at the home of Mr. and Mrs. A. LOST DOG WAS TAKEN OFF A HIGH TRESTLE

When Train Bore Down Upon Animal Little Shepherd Howled

DISTRESS SIGNAL HEARD

Crew Rescued Starving Animal—Owner Located By A Tag

Here is an excellent human interest story which recently was published in The Fort Bragg Advocate: "It's a cold cruel world," thought "Roy," so to avoid hurting his sore and almost frozen feet, he carefully picked his way along the railroad track, for the ground was still covered with snow, and he had walked many miles that day looking for his master who had separated from him the day before.

In Dangerous Place.

He was out on a high bridge, right in the middle, and the snow was so slippery he could hardly walk without falling into the depths below; it was making him dizzy, and worst of all, a train was coming. He could not run or he would surely slip off the narrow timber he was trying to walk on. He must let them know he was there. So up in the air went his nose, and perhaps for the first time the woods in the vicinity of Grove station on the California Western railway resounded to the echoes of a wolf's howl. But this time it was uttered by Roy, a beautiful Australian Shepherd dog, and the driver of the motor car heard, brought his car to a stop and rescued Roy from his perilous position. Into their lunch pails went each man and tight then and there Roy tasted the first food for two days, during which time he had been searching for his master.

Long Way From Home.

Around the dog's neck was a collar bearing a Fresno dog tax number; the city clerk in Fresno was communicated with, and advised the owner of the dog was Mrs. Lora Tyson. It was then a simple matter to get word to Mrs. Tyson and on Sunday morning Roy was again united with his folks. His joy was unmistakable.

High School Plays Cloverdale Saturday

Ukiah High's two casaba teams will meet A and B teams of Cloverdale high school on the local court on Friday night at 7:45 o'clock. The Cloverdale teams have been doing big things in the basketball field. Their latest victim was Hopland high school whom they beat quite decisively.

Killed Many Varmints In The Usal Country

With 10 bear and three coyote pelts to his credit after a two-month hunt in the Needle Rock and Usal country, Gus Langeran, biological survey hunter who was sent to the coast several months ago to aid in the destruction of predatory animals, has returned to headquarters.

SEEKS COLLECTION

Wm. Williamson is suing Marlin Hurt et al for $1822, alleged to be due on a mortgage.

ASKS DAMAGES

H. L. Rambo is suing C. J. Pickens for $25,000 damages sustained in an auto accident last summer.

TO GET UNIFORMS

On February 4 the local traffic squad will receive their new uniforms designed by the state. The color and style vary but little from the present form but the insignia of office is in a little gayer tints.

Senator Handy Is Highly Regarded

Senator Herbert W. Slater, in The Press-Democrat, says of Senator F. C. Handy: "Friends of Senator F. C. Handy declare he will be returned by a large vote in Mendocino and Lake counties, which now compose the senatorial district, and insist the fine service he has rendered his district should be rewarded by re-election. Senator Handy was chairman of the important committee on highways in the senate.

THE TRUTH "—is also found in frank confession of error."

UNRECOGNIZED

(By Edgar A. Guest)

"I knew him when he was a lad,"
The gossip whispered of the man.
"I knew him when no coat he had,
And when to work he first began.
I knew him in the long ago.
He used to shovel off our snow."

Another said: "I knew him when
He drove a wagon through the street.
And well do I remember, then,
He scarcely had enough to eat.
I knew him, running up and down
On errands in our little town."

I have heard the gossips and replied:
"You knew a boy of long ago,
A shivering lad who worked outside,
And from your pathway shoveled snow.
All that you knew, as you declare,
Was that he had no coat to wear.

"You didn't know the man at all.
You never guessed the fame he'd win.
That ragged coat which you recall
Shut from your view the heart within.
And that poor boy of long ago
Is now the man you didn't know."

WATCH IT CAREFULLY

NO ONE comes forward to openly champion the agitation for a bond issue of $1,000,000 for roads and buildings in Mendocino county after the outline of the plan had been circulated, but that does not mean the matter has been dropped.

This county is not in a position to undertake a bond issue of such character. Remember, a bond issue of the type of the one suggested, would, before all the bonds were retired, have cost Mendocino county taxpayers, when the interest and incidental expenses had been taken care of, $3,750,000.

In other words we will be called upon to pay almost double for the outlays held before the eyes of the people at this time as being necessary expenditures.

There may be a belief in the minds of some the contemplated campaign for a bond issue has subsided, but it has not and, if it is not gotten before the people, unless the dangerous points are outlined to taxpayers, it may carry, if put to a vote. The Press suggests to the Farm Bureau here is a menacing situation well worth united opposition.

OF COURSE

BECAUSE this newspaper appreciates there was determined opposition in Mendocino county to the building of the Golden Gate bridge The Press has all along printed everything it possibly could to throw light on the situation. This page, from the start, has been for the bridge and it is glad to observe a sentiment for the great undertaking is rapidly forming everywhere in the district, even here at home it is gaining supporters, although not as fast as this newspaper would like to see it. Favorable sentiment for the bridge is being created by just such articles as the following which was printed in The San Francisco Call-Bulletin:

"J. B. Strauss, chief engineer for the Golden Gate Bridge and Highway District, tells what we all know—but what he said to the San Francisco Rotarians cannot be said too often. He spiked the guns of the defeatists, who say that bridges across our bay will be ugly desecrations of natural beauty. But bridges across San Francisco Bay can be and will be beautiful, and we have yet to hear anybody defend our ferries on the ground that they are as graceful as swans.

"He reminded the Rotarians that a bridge, after all, is nothing more than an extension of a highway. If the bridge is strategically located, if it is placed where land traffic moves onto boats, it will be a money-maker from the beginning and PAY FOR ITSELF in a very few years. And what spokesman for a ferry would have the face to deny that bridges to the East Bay and to the north across the Gate are unnecessary and out of place? Nevertheless opponents of bay bridges do say that they will not pay and they say it, says Mr. Strauss, 'in the face of the well-known fact that toll bridges all over the country have an established record as money-makers; that is why toll bridges are built and operated by private individuals for private gain.'

"Some toll bridges, built as stock-selling schemes and not with the public need in mind, do not pay and should never have been planned or built—but the Southern Pacific itself is building a bridge not many miles away from here to take the place of ferries. We may assume that the Southern Pacific knows what it is doing and so do the people of San Francisco."

ONE EXECUTIVE UNDERSTOOD

WHEN THE recent "depression" took place and a panic gripped the country some of the powerful ones at the national capital, responding to the frantic appeals of gamblers in Wall street, began to pull wires which resulted in orders being given 48 governors to see to it a lot of money was spent. And independent editorial comment on the situation brought out this paragraph anent the situation: "One gathered, from the wording of the appeal, it didn't matter much for what the money was spent, as long as it was spent. There was, in the message, no hint where the money might be found. On 47 governors it never seems to have dawned that the money would have to come, in the form of taxes, from the very people it was, theoretically, supposed to help. But one governor seems to have had his head screwed on firmly. He is Roland Hartley of Washington. He has just made public his reply to the "spend everything" boys. Here's the salient part of it:

"'Expenditure of public funds for any purpose beyond requirements is false prosperity—like attempting to lift yourself by your bootstraps. Politicians try to entrench themselves by lavish expenditures of public funds, but this only serves as an added burden. The people are now taxed beyond their ability to pay.'"

RATE CUTS BENEFIT FARMERS

FARM BUREAU SUCCESSFUL IN POWER RATE CONFERENCES

As a result of hearings participated in by the bay cities and the Farm Bureau, the Commission has ordered another reduction in the rates of the Pacific Gas & Electric Company. The average reduction to all consumers is five per cent, and places the earnings of the Pacific Gas & Electric Company upon the basis of a 7½ per cent return upon the rate base of the utility. The major reductions have been made to lighting consumers although other schedules have also been adjusted. The rates to rural consumers for lighting have been reduced in the first block from six cents per kilowatt hour to 5½ cents and affect all lighting consumers on the domestic schedule.

An Additional Help.

Another change in the schedule which will materially help rural consumers is a change in the computation of minimum bills. The combination lighting, heating and cooking schedule now provides that the service charge (70 cents per meter) constitutes the minimum for installations of eight kilowatt load or less. Previously the minimum charge was $2.90 for this amount of load. Another change in the schedule provides that no minimum charge will apply to heating equipment between May first and November first.

Aided Farmers Elsewhere.

The California Farm Bureau Federation was also successful in obtaining a reduction in the agricultural power schedule, the effect of which is to materially reduce rates to consumers in this class located in Salinas Valley and other territory formerly served by the Coast Valley Gas & Electric Company. They will now receive service at the same rates as the balance of the Pacific Gas & Electric system. This reduction amounts to between four and eight mills per kilowatt hour to most of those consumers, and for the year 1930 will save them approximately $57,000.

A Material Reduction.

Agricultural power consumers in the Pacific Gas & Electric system, other than the Coast Valleys, whose use of energy exceeded 1000 kilowatts per horsepower also will receive reductions totalling about $44,000. The new rates become effective with meter readings taken on and after March 1, 1930.

More Results Expected.

While no change has as yet been made in the Great Western Power Company, since their schedules in the past have been the same as the Pacific Gas & Electric Company, it is anticipated they will voluntarily offer to meet these rates.

Mr. and Mrs. J. B. McGuffin and children, Miss Hazel and Howard McGuffin, motored to Scotts Valley Sunday for a visit at the home of Mr. and Mrs. R. E. Dashiell. Miss Hazel remained over to pass the week with her cousins, Evelyn and Geraldine Dashiell.

Died In Lake County.

E. E. Endicott, who was raised in Potter Valley, died at the home of a brother near Upper Lake last week. Mr. Endicott had been an invalid the past eight years and lived with his brother. His remains were taken to Willits where funeral services were held from the Anker & Cleland chapel. Rev. John Brunswick and Rev. G. H. Jones officiated at the services.

Born In Potter Valley.

Edward Everett Endicott was born in Potter Valley, January 31, 1861, and lived most of his life in Willits, going there with his mother when about seven years of age, shortly after the death of his father. He lived the next few years with his grandparents on the old Coates place south of Willits. In 1885 he was married to Margaret R. Symons in Willits, to which union were born four children, three girls and one boy. They are Mrs. Mabel Shimmin, of Stockton, Mrs. George Heyward, of Willits, Mrs. V. E. Frost, of Redwod Valley, and Nelson E. Endicott, of Willits. There is one grandchild, Miss Ileta Shimmin, of Stockton.

Served As Marshal.

Mr. Endicott spent his early life here engaged in ranching, and at one time was town marshal of Willits. About 15 years ago Mr. Endicott removed to Oakland, where he lived several years until he was stricken by a paralytic stroke, which left him an invalid the rest of his life. He was taken to Willits and lived there for a time, but for the past few years has been with his brother, William Runk, in Lake county. Deceased was one of seven children, of whom four survive. They are Mrs. Lizzie Stenso, of Crescent City; Mrs. Annie Roach, of San Jose; Seth Endicott and Wm. Runk, of Lake county.

R. J. Prince returned last week from a visit to the bay district and other points.

HERE IS HOW TO SAVE PET

Attention dog lovers and owners: George Boelman, Reedley rancher, has a remedy for dog poisoning which, he says, will bring the efforts of that low form of humanity, the dog poisoner, to naught. A small piece of alum, the size of a walnut, will act as an effective antidote to any poison bait taken by a dog, according to Mr. Boelman, who says he first learned the secret 50 years ago while ranching in Tehama county, where poisoned bait for coyotes was often taken by dogs. Mr. Boelman, a great dog lover, has been using the antidote with invariable success.

CAME TO FUNERAL

Among Lake county folk here last week to attend funeral services for Mrs. A. E. McCombs were Dr. and Mrs. M. A. Craig, Mrs. Fred Greene and Mrs. George Turnbull, of Lakeport, and Mrs. Winnie Bucknell and family, of Upper Lake. The latter was a sister of Mrs. McCombs.

BAY SOCIETY HEAR PLANS FOR JUNE WEDDING

An engagement announcement of much interest here was made at the home of Mr. and Mrs. A. M. King, at Hayward, during the week when Miss Ila Ruddick, sister of the hostess, told of her betrothal to Joseph D. Madden, of Oakland. The announcement was made at a charmingly appointed party, with bay city friends and former local residents, who reside about the bay, present. Following the announcement a number of the friends of the charming bride-to-be and of Mrs. King, who was formerly Miss Leva Ruddick, of this city, issued invitations honoring Miss Ruddick who will remain at the home of her sister in Hayward a few weeks before coming home to arrange the details of her marriage to Mr. Madden. Miss Ruddick was educated in the local schools and was very prominent in the younger social set in which she moved during that time, both because of her unusual beauty and a delightful personality and charm. Following graduation here Miss Ruddick was a student nurse at the University of California, later qualifying for secretarial work also. For the past two years she has resided in the bay district but frequently returns here for visits at the family home south of town. Mr. Madden is connected with the engineering department of the Pacific Telephone & Telegraph Company in San Francisco. He was formerly of Omaha, Nebraska. Following the wedding in June the new home will be established in Oakland. Already a number of local friends of Miss Ruddick are planning a group of prenuptial parties in her honor when she comes home in the spring. It is interesting to note Miss Ruddick is the last to wed of a coterie of local young women who were conspicuous for their pulchritude and social activities here. Other members of the group were Lurline Jamison Fair, Evelyn Redemeyer Farringer, Vivian Green Gilmore, Margaret Cunningham Huguet and Hilda Belle Banker Mannon, the latter a bride of this month.

WEEK-END GUESTS

Dr. Elby Atkinson was here from Oakland to pass the week-end with his parents, Mr. and Mrs. C. D. Atkinson. The former local young man was accompanied by a classmate and fraternity brother, Dr. Jock Benedickston, of Oakland. The two professional men motored home Sunday afternoon.

REVERED MOTHER ON NINETIETH BIRTHDAY IS HONORED

There was something almost sublime in the observance Monday afternoon and evening of the ninetieth birthday observance of Mrs. M. C. Duncan, one of Ukiah's eldest pioneer mothers, at her home in North Oak street. Throughout the hours of the informal reception friends surrounded Mrs. Duncan to whom no better tribute could be paid than that she has met the highest need of her day, thereby laying the deeper foundations of greater days to come. Learning early in life there is nothing surer on which to build than the church and the home Mrs. Duncan has shaped her destiny with truth and love, the essence of which has kept her forever young. In keeping with the invariable habit of Mrs. Duncan the guests paused in the midst of their greeting to bow their heads while the pioneer mother offered a prayer, after which several familiar hymns, made dear to all by church affiliation, were sung. Showered with flowers and good wishes and the love of old-time associates and friends the day was indeed a happy one for Mrs. Duncan. Notable among the floral offerings were a basket of spring bloom from Kingsley Chapter, Order of Eastern Star, and another from the Federated Methodist Women of which Mrs. Duncan is a charter member. At the tea service Monday a special table was reserved for Mrs. Duncan and a group of friends who have passed the proverbial three score years and ten, among whom was Mrs. Martha Glazier, seated at the right of Mrs. Duncan. Another interesting feature was the presence of Mrs. R. J. Prince, whose parents, the late Major and Mrs. W. W. Cunningham, were among Mrs. Duncan's first acquaintances here, the Cunningham family arriving in 1865 and the family of Mrs. Duncan two years later. Still another interesting feature was the cutting of the birthday cake, a delectable pound cake, the making of which was personally supervised by Mrs. Duncan, whose culinary skill is not the least of her accomplishments. Assisting very materially in the program of the reception were Mrs. Laura Davis, daughter of Mrs. Duncan, Mrs. C. H. Duncan, daughter-in-law, and the Federated Methodist Women. The whole community joins in wishing for Mrs. Duncan a continuation of the choicest things the world may offer—the approval, the sympathy and the devotion of true hearts.

Among the friends who were present to felicitate Mrs. Duncan were Mesdames W. D. L. Held, Kate Donohoe, Loren York, John McGimsey, Sam Speer, Alpha Capwell, A. D. Moon, Jane Wilson, Ella McKinley, Susie Stinchoff, R. J. Prince, T. J. Joslin, Ella Heap, Dora Mankins, E. J. Foster, J. C. Thomson, Gertie Van Dyke, John Redemeyer, E. M. Ford, Robert Anderson, Minnie Graf, Harriet Deering, Ella Heap, Rachel Jameson, J. R. Jameson, E. B. Sherman, Ellen Hunt, Laura Shattuck, Hattie Snyder, Wesley Ford, Henry Brush, John Allen, Clara Stipp, J. W. Payne, E. Stall, Lola C. Brown, Jennie Grothe, F. O. Strong, Nellie Sanford, R. R. Byrnes, G. C. Burke, Mary E. Sanford, Mary Towle, R. Ryder, M. Kauffman, Daisy Richey, Charles Luce, Carrie Van Voast, Nancy Akers, W. A. Ford, Annie Richey, Martha Glazier, Elizabeth Luce, W. J. S. Ryder, Dr. and Mrs. R. Thomas, Rev. and Mrs. Warren Bonner, Mr. and Mrs. C. N. Synder and Miss Grace Reid.

TO HEAR SPEAKER

The monthly meeting date of the Missionary Society of the Presbyterian church has been advanced a week in order to take advantage of the visit to this part of California of Miss Roberta Barr, national missions speaker, who is visiting Presbyterian missionary societies in northern California with her splendid message. Miss Barr will speak at the local society meeting at 2:30 o'clock Thursday afternoon at the church. Mrs. M. J. Rea is honorary president of the society and Mrs. P. W. Handy, as acting president, will introduce Miss Barr. The public is invited to hear Miss Barr and a special effort will be made to have all members present.

OFFICERS SEATED

Cornelia Rebekah Lodge installed officers Monday evening following a banquet, featuring turkey on the menu, which was served at 6:30 o'clock. The officers were installed by Veta White Morby, district deputy president, who was assisted by Katherine Sloper, deputy grand marshal; May Beckley, deputy grand warden; Bessie Jamison, deputy grand secretary; Anna David, deputy grand treasurer; Jocie Butts, Alice Bertsch, Susie Neep and Lillian McPeak, aids. The officers installed were Katherine Foster, noble grand; Grace Emery, vice grand; Kate Prather, recording secretary; Emily Miller, financial secretary; Minnie Lambert, treasurer; Susie Neep, pianist; Katherine Sloper, chaplain; Winifred Mitchell, past grand; Alice Bertsch, warder; Lillian McPeak, conductress; Veta Morby, right support; Della Heryford, left support; Bessie Jamison and Mary E. Joslin, banner bearers.

Mr. and Mrs. B. M. Bucknell, of Sherwood Valley, were Ukiah business visitors Saturday.

KOSMOS CLUB

The annual "Travelogue Day" of the Kosmos Club Thursday was featured with an interesting talk by Miss Myrtle Ruddick, who recently returned from a world tour. Miss Ruddick's subject was "Palestine" and she talked with the assurance born of personal experience. Sidelights of the interesting meeting were the costuming of the club members, each of whom represented a foreign country, in dress. As Mrs. F. D. Patton, at the piano, played the national air of a country the impersonators of the nation walked forward and across the room. Conspicuous in the costumes was one worn by Mrs. E. McCorrison who displayed the gown and headdress of a Grecian. The entire outfit was made by the mother of Paul and Tom Poulos, of this city, the materials being carded and spun and fashioned into garments by the Grecian mother. The head dress was of the finest linen and was a marvel of expert workmanship and skill. The hospitality committee included Mrs. Laura Shattuck, Mrs. Perle Crawford and Mrs. E. Weger. Garbed in Japanese costumes they served the food peculiar to that nation. Informal talks of the afternoon were made by Mrs. F. La Porte, program chairman, who read a short travelogue on Hawaii; Mrs. L. H. Foster and Mrs. Y. York, who related personal experiences in the Yellowstone, and Mrs. J. Q. White and Miss Grace Emery, who told of interesting visits to Crater Lake.

TO MAKE ADDRESS

Next Thursday afternoon Miss Roberta Barr, a representative of the Presbyterian National Board of Missions, will give an address at the Presbyterian church at 2:30 o'clock. Miss Barr is from New York, and is a very fine speaker and will give some very interesting facts in regard to the work of the Board among the foreign speaking peoples and mission work in general in the United States. This meeting is open to everyone.

DROVE TO CITY

Mr. and Mrs. A. D. Shortt motored to San Francisco and planned being away until the end of the week.

Ruby Haehl, who has been sick several weeks, has entirely recovered.

FAMILY VISIT

Sunday Senator F. C. Handy and P. W. Handy enjoyed a brief visit with family members, who motored here from San Francisco to pass the day. In the party were Mr. and Mrs. Ernest Wheeler, of Honolula, Miss Florence H. Handy, Mrs. Hazel Melone and A. Niquette, the latter an old friend, all of San Francisco. The three ladies are sisters of the local men. Mr. and Mrs. Wheeler are sailing shortly for their island home where Mr. Wheeler is chief engineer of road building for the United States government in Hawaii.

EL SOL MEETING

The El Sol Sewing Club, which for several seasons has been holding neighborhood meetings in the vicinity of the west end of West Perkins street, will enjoy the hospitality of Mrs. Laura Shattuck this afternoon at which time members will devote the afternoon to needlework and the enjoyment of a tea service. The last meeting of the club was held at the home of Mrs. Brice Houdeshell at which time a delightful afternoon was passed.

A romance that had its inception in San Francisco culminated in the marriage of Vera Cook, former local resident, and Robert Grant, of San Francisco, recently. The new home will be established in San Francisco The bride is a sister of Mrs. Paul Poulos and the daughter of Mrs. Ethel Bonnifield and was formerly employed in the local branch of Montgomery Ward & Company.

IMPORTANT EVENTS

Two Talmage social events of much local interest will take place shortly and are being eagerly anticipated here. The first will be a public bridge and whist party to be held in the auditorium of the State Hospital Friday evening, January 31, at eight o'clock. The committee in charge has announced score cards may be secured for 25 cents each. The usual favors will be presented the guests for high scores. The committee in charge of the card party includes M. Fowler, K. Michael, Dr. Olga Miller, Wilma Friedeman, Maxine Acchison and C. L. Charles. Through Mrs. Jack Montgomery a special invitation to attend the party has been extended the members of the Saturday Afternoon Club.

Thursday evening, February sixth, another of the popular dances given by the employes of the Mendocino State Hospital will be held in the auditorium. The affair will be a St. Valentine dance with decorations in the motif appropriate to the day. Rex Parker's popular orchestra will provide the music and an attractive door prize will be offered. The dance committee planning so delightfully for the public is Mr. and Mrs. J. Scott, Mr. and Mrs. Poruett Edwards, Miss Wilda Friedeman, and Messrs. M. Fowler and C. L. Charles.

The employes of the state hospital have provided so many delightful social diversions for the public it is to be expected they will be well patronized upon the two occasions mentioned above.

WEDDED IN NEW YORK

Miss Dorothy Keil, daughter of Mr. and Mrs. E. R. Keil, of Saratoga Springs and well known here, was wedded January 15 in New York to Edward Charles Kenny, of New York. The bride was graduated from the University of California two years ago and went east to pursue her medical studies at Johns Hopkins University where the romance had its inception. Mr. and Mrs. Kenny will reside in New York.

INTERESTED CLUB PLAN

The Saturday Afternoon Club will hold an open meeting at the clubhouse Saturday at two o'clock with Mrs. Guy Redwine presiding. Mrs. P. W. Handy is in charge of the music. The program subject is the "American Home" and will be presented by a committee including Mrs. Martha Toles, Mrs. A. F. Moulton and Mrs. I. M. Brazier. The hospitality committee includes Mrs. Isabel Miller, Mrs. P. W. Handy, Mrs. Eugenia Cox, Mrs. H. R. Paull, Mrs. Hale McCowen, Sr., Mrs. Louis Hofman. The speaker of the day will be Mrs. Barbara Reid Robson, who recently returned from an 11 months' journey around the world. Her subject will be "Homes in the Far East." In this informal talk Mrs. Robson will speak of the homes, the people, and some of the unusual customs observed in Japan, China, Java and Upper Egypt. She promises too that she will relate a few of the unusual and delightful experiences which she had during her world trip and which she calls the "Low Lights of Her Trip." Mrs. Robson is a graduate of both the University of California and Simmons College, Boston, and has had many years of experience in the teaching and business worlds. During the past year she has addressed over 200 groups in Northern California. She comes here through the courtesy of the Hostess Cake Kitchen, of San Francisco, for which she is Home Economics Consultant.

ST. VALENTINE BRIDGE

Local society is asked to keep in mind the bridge party to be given by the Kosmos Club on February 14. The sentiment around which the date is circled makes the occasion an ideal one for entertaining and the hearts and cupid's motifs will be made much of in the score cards, decorations and menu. The score cards are selling for 50 cents each, which includes the supper service and a chance to win one of the attractive prizes offered for high scores. Playing begins at eight o'clock at the club rooms in West Henry street.

PARTY PLANS

The Catholic Ladies League held a called business meeting last week at the home of Mrs. Mary Ruddock to complete plans for the February bridge party which will be held Wednesday evening, February 5, at St. Mary's social hall. Playing will start at eight o'clock. Mrs. F. E. Gilmore is in charge of table reservations. The score cards, which include a refreshment service, are 50 cents each.

EDUCATORS DINE

Wednesday evening, in the new private dining room of The Palace Hotel, the association of Ukiah elementary school teachers held the monthly dinner meeting. Mrs. A. L. Tracy and Mrs. Cornelia McClure were in charge of the arrangements for the meeting which provided an informal hour of social exchanges. The table decorations for the affair included a crystal bowl filled with rose-pink carnations, pink candles and individual rose-colored baskets of nuts and sweets. Covers were laid for 12 educators at the dinner.

FARM CENTER'S WORK OUTLINED

Round Valley Ranchers Prepare For Worthwhile Year

(Special Correspondence of The Press)

COVELO, Jan. 27.—Pursuant to an invitation issued by Chairman W. W. Coke, of the Round Valley Farm Center, a committee of 18 gathered Thursday evening to lay plans for the coming year's work. Present with the committee were Assistant Farm Advisor R. D. Foot, who made a special trip from Ukiah at the urgent request of the local center, and Supervisor J. M. Rupe, of the third district, who was in town on official business. The committee proceeded to direct and energetic action. Projects for the coming year were decided upon, and chairmen appointed to conduct each project.

The Selections Made.

Pest control will be under the direction of G. W. Goforth, whose committee will work for the eradication of star thistle, morning glory and rodents. J. I. Hurt will have charge of alfalfa varieties. Grain variety test plots will be conducted by J. S. Rohrbough. A chairman has not yet been named for the soil improvement project, but G. C. Bauer will test out legumes for this purpose, and G. M. Biggar will experiment with commercial fertilizers. Roland Hurt will handle hogs for more profit, and Albert Winters will study sheep on the farm. C. S. Foster will deal with walnuts for Round Valley. Poultry possibilities will be presented by W. S. Osborne. J. I. Hurt will continue to direct the effort to obtain better drainage for the valley. G. M. Biggar was re-appointed chairman of the road committee. Supervisor Rupe commended highly the achievements of this committee, characterizing its leader as the best man in the northern part of the state for such work. Dairying, the most important single industry in our valley, will be studied under four heads. Harold Tuttle will give his attention to feeding and breeding, E. O. White to more silos, and T. J. Lowry to the harvesting of grain. The control of tubercular trouble and abortion will be directed by J. B. Bellatti, one of the most widely experienced dairymen in the state, who has already accomplished so much toward making Round Valley and Mendocino county a tubercular free area.

All Capably Headed.

With these committees at work, each in charge of an enthusiast in his subject, our center can look forward confidently to a profitable year. Definite and rather elaborate plans were made for the program of February 3. The pot luck supper already announced for that occasion will be under the direction of Mrs. C. L. Hemenway and will be served at seven o'clock, in the domestic science room. At the conclusion of the dinner and while the guests are still seated around the tables, Messrs. Hemenway and Cyrus, of the membership drive committee, will explain their plan of campaign. Leaders will be appointed to choose sides for an attendance contest. The side having the fewest members present at the March meeting will be required to furnish entertainment for the April meeting. A question box will be ready, where all are requested to present in writing constructive criticism or questions on which they desire further enlightenment.

To Put On Program.

At 8:30 all will adjourn to the auditorium, at which time the committee will solicit memberships. Skelley's band and the ladies' trio have been invited to take part; there will also be popular singing. Local speakers will summarize the past accomplishments of the local center. An effort is being made to have an outside speaker present the state and national accomplishments. L. L. Sanders will report on the 4-H Club work. Philip Rohrbough will give the future farmer's creed.

The evening promises to be a real occasion. Don't miss it. The date, February 3; dinner at 7 p. m.; program at 8:30; adjournment at 10.

Missions Speaker Coming.

Another event of more than ordinary interest to the community is the coming of Miss Roberta Barr, a National Missions speaker, to Round Valley to speak at the Presbyterian church Friday evening, February 7. Coming from a wider field, Miss Barr should bring to us new viewpoints and a stimulating freshness of interest. Everyone is cordially invited to hear her lecture at the church at 7:30. There will be no charge. Miss Barr will arrive Thursday and will be entertained at the home of Mrs. Merry O'Ferrall, president of the missionary society. On that evening Mrs. O'Ferrall will serve a dinner to Miss Barr and the officers of the Dorcas Aid and the missionary society. On Friday afternoon Mrs. J. S. Rohrbough, president of the Aid, will entertain the members at her home in honor of Miss Barr.

Dorcas Aid Meeting.

The regular missionary meeting of the Dorcas Aid for January will be held at the home of Mrs. D. T. Johnson on Friday of the present week at 2:30. All members and interested friends are cordially invited to be present.

Ladies' Circle Met.

The Baptist Ladies' Missionary Circle met Thursday afternoon at the home of Mrs. Laura Russell. The afternoon was devoted to making bandages and other hospital supplies to be sent to Dr. Luis P. Leung for the Pickford Memorial Hospital at Kinhua, Chekiang, China.

Turkeys Sold Well.

Omar Bates on Monday last shipped 82 turkeys to the city market. The birds were fat and in prime condition, only three in the shipment failing to rank as first class. They were sold through the Turkey Growers' Association, netting the owner 34 cents a pound and bringing him a little better than $360 for the lot. He will ship 75 more in February.

Birthday Celebrated.

In honor of his eightieth birthday the sons and daughters of C. H. Hurt gathered at the paternal home in Covelo on January 20 to serve a dinner celebrating the occasion. Mrs. E. H. Long brought a great George Washington cake decorated with candles and green leaves. The tables were filled with chicken and sweets and everything necessary for a royal repast. A hale and hearty octogenarian is easy to understand when such cookery is at his service. At the dinner table were Mr. and Mrs. D. A. Brush with their three sons, Arnett, Nelson and Willard; Mr. and Mrs. E. H. Long, Mr. and Mrs. Roland Gray, Mr. and Mrs. J. I. Hurt, Mr. and Mrs. H. L. Hurt, Mr. and Mrs. Joe Hurt and their two little ones, Mrs. Ida Hollingsworth, Charles and Austin Gray. Other relatives and friends dropped in during the afternoon, making it an all day reception. Mr. Hurt hopes to vote the democratic ticket in 1950.

W. G. Collins, of Fort Bragg, was looking after his interests at the Mendocino Stock Farm in Williams Valley last week.

Mrs. Edith V. A. Murphey returned from a visit to the countyseat Monday.

G. M. Biggar returned the first of the week from a short visit to Fort Bragg and other coast sections.

House Caught Fire.

G. C. Bauer's house north of the grammar school caught fire Thursday morning about 9 o'clock. A telephone call for help from Mrs. Bauer, who was alone at the time, brought half a hundred citizens promptly to the rescue; but, with the help of Mrs. Bruce Henderson, a near neighbor, the fire was under control by the time they got there. The fire started from a defective kitchen flue. Most of the paper was burned from the kitchen walls before the flames were extinguished.

Mrs. Eliza Page left Thursday for Redwood Valley where she will make her home.

Mrs. Jack Crone returned to her home in the city Thursday after a visit with her grandparents, Mr. and Mrs. B. F. Haydon.

Building A Bridge.

Supervisor J. M. Rupe was in Round Valley last week looking after the construction of a bridge in cemetery lane and other phases of road work. The new bridge will be a more firmly constructed one than was the old structure. Piling is being put in for a foundation. Russell Ells is in charge of the work. A number of citizens are donating work and the county is furnishing the material. The bridge should be ready for use in a few days.

Would Co-Operate.

Mr. Rupe is also conferring through Sub-Agent Mueller with Superintendent Dorrington of the reservation in the hope of evolving a co-operative plan between the county and the Indian department for the improvement of the roads on the reservation. It was necessary to close down the reservation school for several days on account of the impassable condition of the by-roads.

Has Been Transferred.

Ray Short, the genial representative of the Baker, Hamilton & Pacific Company, made his farewell visit to Covelo last week. He has been transferred to the northern part of the state, with headquarters at Yreka, from which point he will work north through the Klamath Falls country. Mr. Short is an ardent sportsman. His enthusiasm and genial disposition have endeared him to the trade in this section. He will be greatly missed.

J. B. McCuisten, of Santa Rosa, was here looking after stock interests last week.

W. Haehl, the Willits representative of the Shell Oil Company, was in Covelo last week.

Orchestra Work Popular.

Enthusiastm is growing among the members of Lester Skelley's night class novelty orchestra. It numbers eight members at present—J. B. English, Shirley English, Harold Tuttle, Mrs. Dorothy Bostic, Art Chester, M. E. Gravier, J. G. Short and B. L. Hurt. We hope to see them making their bow to the public soon in some of our local entertainments.

Mr. and Mrs. Luther Morrison, Claude Morrison and March Begley drove to Ukiah Saturday, returning next day.

To Meet Saturday.

The next meeting of the Covelo Women's Improvement Club will be held at the auditorium Saturday, February first, at two o'clock. The committee on literature will be in charge of the entertainment. They will present a study of the old ballads, with readings and songs to illustrate.

Start Sewing Club.

Sixteen girls met at Hotel Covelo Saturday afternoon and organized a sewing club under the auspices of the farm center. The committee in charge of the organization consists of Mrs. Iris Hill, Mrs. Etta Futzhugh, Mrs. Louise McCombs and Mrs. Ella Osborne. Projects being undertaken are sewing, embroidery and flower making. The following officers were elected for the year: President, Gloria Long; vice-president, Lee Clark; secretary, Ellen Brown; treasurer, Margaret O'Ferrall; reporter, Imogene Lovejoy, cheer leader, Azile Long. After the program was over cake and lemonade were served.

Mrs. A. N. Moore has been confined to her home by illness several days.

Redwood Valley News Of The Week Outlined

(Special Correspondence of The Press)

REDWOOD VALLEY, Jan. 27.—Those who have been confined to their homes the past 10 days with influenza and heavy colds are Mrs. M. Laforet, Mrs. T. Gullickson, Mrs. Nels Nelson, Mrs. J. Branson, Mrs. and Miss L. Kistler, John Finne and B. W. VanVoorhis.

Mr. and Mrs. R. A. Steele, of Willits, were Sunday dinner guests of Mr. and Mrs. T. Jameson.

H. Koenig has returned to San Francisco after passing several days at the home of Mr. and Mrs. L. Waletschek. Mr. Koenig is secretary of the Baker's Union in San Francisco.

Otto Santer, of San Francisco, has been visiting Mr. and Mrs. L. Waletschek, but has returned to his home in the city.

Mrs. T. Jameson was one of the guests at a party given in honor of Grandma Duncan, of Ukiah, Monday afternoon, in honor of her ninetieth birthday.

The P. T. A. program and refreshment committee met Sunday afternoon with Mrs. J. Branson.

To Have A Social.

The Farm Bureau has chosen the evening of February 8 for their hard-time basket social.

Rev. E. Holland, of Ukiah, spoke at the club house Sunday evening. The Sunday school attendance in the morning was 34.

Mr. and Mrs. H. Hull are rejoicing over the birth of a baby girl, born January 25. The little new stranger has been named Betty Anne.

Mrs. Oscar Huber was shopping in Ukiah Saturday for a few hours.

Meeting Night Changed.

The Redwood Valley Grange held a meeting Saturday evening instead of Friday, the date being changed to accommodate those who were desirous of attending the dedication program at the Ukiah union high school.

Had A Party.

Waino Bom's twenty-first birthday was celebrated in a fitting manner at the family home on a recent Saturday evening. About 70 friends shared in the pleasure of the party.

To Buy Projector.

The local Parent-Teacher Association is making plans for the purchase of a moving picture projector to be used in the school.

Mrs. J. U. Friend has returned to the Bom home here following a visit of two weeks with her husband in the bay district. Mrs. Frend returned with her brother, Alwar Bom, and Elmer Lampi.

NAMED BANK PRESIDENT

At the annual stockholders meeting of the Bank of Willits held in the northern city Wednesday C. M. Mannon was re-elected president. The name of C. M. Mannon also heads the board of directors on which James Mannon has also been re-elected.

OPENS OFFICE LONGER HOURS

Telephone Co. To Give Upper Lake A 24 Hour Service

Ukiah shortly will be able to talk any time during the 24 hours with Upper Lake, according to an announcement made last week by the Pacific Telephone and Telegraph Company, which has purchased the interests of the Northern California Telephone Company in that district. The line, which was formerly the Upper Lake Farmers' Telephone Association, will be routed from Ukiah through Lakeport.

Erecting A Building.

A new office building will be completed at Upper Lake and will be ready for use by February 1 when the added service will replace the present 13-hour circuit. With the new ownership in service there will be no change in operation or personnel in the area under the direction of Manager H. C. Gard, of Lakeport.

Need Was Urged.

The increased service will provide an important link in the transaction of official business and will fill a long felt want for Upper Lake.

Personal Mention

Jack Crawford was in town on an over Sunday visit to his parents, Mr. and Mrs. Leslie E. Crawford. Mr. Crawford has a fine position in the American Trust Co. Bank in San Francisco.

Thomas Ornbaun, of Anderson Valley, was a business caller in town Friday.

W. H. L. Morgan, postmaster at Calpella, was attending to business matters in town Monday.

Stanley Rea was here from Stanford University for a week-end visit at his home.

Mrs. J. H. Hansen was called to San Francisco over the week-end by the death of a friend.

Mrs. E. Nelson, of Redwood Valley, was a shopper in the city Friday.

THIS IS THE NEW STRAIGHT 8 THAT STARTLED THE INDUSTRY

PRICED UNDER $1000

Weeks ago, leading newspapers were informed of a mysterious new eight-cylinder car which was performing incredible feats in the steep mountains of Pennsylvania.

Out of curiosity, and sensing a news story, automobile editors hurried to the mountains to investigate. There they saw feats of performance that set them to writing columns of praise about a new car whose very name was still a secret.

Now is revealed the name of that mysterious car—the car they proclaimed a sensation. It is the new Chrysler-built De Soto Straight Eight—priced at less than $1000.

"Another chapter in the history of the automobile industry . . ." "Never such excellent performance by an automobile in its price class . . ." "Of an entirely different style . . ." "The only car that stood up with it was one that sold for approximately $1500 more . . ." These are typical quotations from what the prominent automobile editors have been writing under their own signatures.

On the basis of overwhelming dollar value, the new De Soto Straight Eight is as outstanding in the eight-cylinder field as its famous companion car, the De Soto Six, is outstanding in the field of sixes. Every comparison verifies this fact.

"Shot Up" Signs Of A. A. A.; Fined $80

Using California State Automobile Association road signs as targets proved an expensive pastime for Virgil Brown, Oregon motorist, who was in this city two weeks ago enroute home. Mr. Brown was arrested and fined in Del Norte county for shooting highway signs with a high power rifle. He was fined $80 and given a three months' suspended sentence. The Association spends $25,000 yearly replacing destroyed signs and examples like the Del Norte one are always welcomed.

January Meeting Of County Supervisors

The Board of Supervisors of Mendocino County met at 3:30 o'clock P. M. Monday, January 13, 1930, in regular session, with the following present: N. P. Howe, E. L. Williams, E. M. Ford, J. M. Rupe and Charles R. Perkins, members; H. M. Burke, Clerk by M. A. Carpenter, Deputy Clerk.

This being the first meeting of the year, the board proceeded to re-organize and elected N. P. Howe chairman for the ensuing year.

The minutes of the last regular meeting were read and approved.

The board then adjourned to, and reconvened at 9:30 o'clock A. M. Tuesday, January 14, 1930, with all members and clerk present.

The board found and ordered that notice to bidders, advertising for sealed bids for fuel oil and service for the heaters of Mendocino County at the Court House and Detention home for one year, has been duly published, as required by law, in the Ukiah Republican Press. The bids received were publicly opened and read to the board and were as follows: Pioneer Fuel Oil and Burner Co., oil at 5½c per gal. and service on burner for one year; Empire Fuel Oil Co., oil at 6c per gal. and service on burner for one year. The matter was then continued to 1:30 P. M. of this day.

The District Attorney presented a report, as requested by this board, on the consolidation of Judicial Townships of Mendocino County and said report was accepted and placed on file, for further consideration.

The following appointments of committees of this board were made by the Chair: Auditing Committee, each member of the board with E. L. Williams as chairman; Building Committee, E. M. Ford.

The board of supervisors appointed the following named persons to the following positions: M. A. Carpenter, county purchasing agent, at the present compensation; Dr. S. L. Rea, supt. county farm and hospital and county health officer; E. A. Zimmerman, steward county farm and hospital; Mrs. Letta Zimmerman, matron detention home; Mrs. Blanche Burke, statistician.

The board then adjourned, to reconvene at 1:45 o'clock P. M. of this day with all members and clerk present.

The bid of the Pioneer Oil & Burner Co., for furnishing and delivering oil to Mendocino county for heaters and for service on same, was accepted as the lowest and best bid received and the bond required of said Pioneer Oil & Burner Co., on said contract was fixed at the sum of seven hundred dollars and the chairman was authorized to sign a proper contract and approve a sufficient bond on behalf of Mendocino county.

The board entered into a contract with L. P. Anker for the burial of all the indigent dead of Mendocino county during the ensuing year at the cost, to Mendocino county, of $27.50 per burial and authorized and directed N. P. Howe, as chairman of this board, to sign the said contract on behalf of Mendocino county.

The Mendocino County Farm Bureau presented a copy of an ordinance, for control of pear blight in Mendocino county, to this board and asked that it be passed. After considering said ordinance, the board deferred action thereon and instructed the District Attorney and County Agricultural Commissioner to cooperate in the drawing up of an ordinance for the control of pear blight in Mendocino County and submit the same to this board.

S. M. Carr, county inspector of the work of renovating and remodeling the offices in the old Mendocino County Court House, reported to this board that the contractor, C. M. Swanfelt, had completed the work in compliance with the specifications, including the extra labor and material, and the board thereupon adopted the report and accepted the work.

By unanimous vote of the board, the cost of the acquisition of certain new roads and the repair, maintenance, reconstruction, etc., of certain existing roads of supervisorial districts 1, 2, 3, 4 and 5 was charged to the County General No. 1, 2, 3, 4 and 5 funds respectively.

N. P. Howe, as chairman of this board, was authorized and directed to endorse a check for $215.35 from the Springfield Fire & Marine Insurance Co., for return premium on county fire insurance, and the County Clerk was directed to deposit said sum in the County General fund.

The necessary claims against Mendocino county were allowed, as shown by the allowance book for January 14, 1930.

The board then adjourned to, and reconvened at 9:30 o'clock A. M., January 15, 1930, with all members and clerk present.

Sealed bids for county advertising, to be opened at 2 o'clock P. M., February 11, 1930, were ordered advertised for.

The Dispatch Democrat was declared the official newspaper for county advertising until the further order of this board.

It was ordered that the board advertise for sealed bids for furnishing and laying cork carpet on the floors of certain halls and offices in the old Court House building at Ukiah; said bids to be opened at 10 o'clock A. M., February 11, 1930.

A communication was received from the Round Valley Farm Center requesting this board to preserve to the public, a thoroughfare up Middle Fork of Eel river and its two main branches known as Black Butte river and Middle Fork of North Eel river, and the District Attorney was instructed to advise this board on the necessary steps required to be taken to proceed with said matter.

The board then adjourned, to reconvene at 2 o'clock P. M. of this day with all members and clerk present.

The County Purchasing Agent was directed to purchase furniture and equipment from M. G. West Company, for County Court House offices, at a cost of not to exceed $1,000.

H. L. Bergstrom was employed by the board, at the usual and customary architects' compensation, to investigate and report on the matter of placing cells in the present county jail.

The County Purchasing Agent was directed to have the sewer in the county jail repaired.

The Grand Jury having recommended the consolidation of judicial townships, Potter Valley and Westport judicial townships were abolished and their territories annexed to Ukiah and Ten Mile river judicial townships, respectively.

At the request of the District Attorney, the sum of $500 was transferred from the County General Fund to the District Attorney's special fund.

The division of motor vheicles having requested this board to submit the names of two men for additional traffic officers in Mendocino County, and also the names of two men as alternates, the board submitted the names of the following men: Joseph Randolf of Fort Bragg for appointment as traffic officer and Roy C. Woodward of Fort Bragg, as alternate; Merrill Williams of Willits, for appointment as traffic officer, and Richard W. C. White of Willits, as alternate.

Pursuant to the order of Hon. H. L. Preston, Judge of the Superior Court, directing this board to select the names of 500 persons suitable and competent to serve as trial jurors in the superior court of Mendocino County during the ensuing year, or until a new list of jurors shall be provided, the board proceeded to select the names of 500 persons to serve as trial jurors in said court.

The board then adjourned to, and reconvened at 9 o'clock a. m., January 16, 1930, with clerk and all members, except Chas. R. Perkins, present.

N. P. Howe, as chairman of this board, was authorized and directed to endorse the following checks for Mendocino County, and the County Clerk was directed to deposit the same in the County General fund: From State Compensation Insurance Fund $1141.85, dividend on 1928 earned premium; from Edward S. Brown Co., $18.24 for return of premium on County Insurance; from Phoenix Insurance Co., $9.10 for return premium on county insurance; from Henry Spurr $30 for return premium on county insurance.

An erroneous assessment to A. W. Kern or State of California was cancelled and N. P. Howe as chairman of this board, was authorized and directed to sign, on behalf of Mendocino county, the order for said cancellation.

The following reports were accepted and placed on file: Traffic Officers for month of November, 1929; Agricultural Commissioner, Matron of County Detention Home, and Steward County Farm and Hospital, all for the month of December, 1929.

The County Purchasing Agent was directed to have the doors of the various county offices, in the Mendocino County Court House, lettered.

It was ordered that this board allow the American Legion drum corps the sum of $35 for painting sign on drum to advertise Mendocino County, if it is legal to make said appropriation.

The board then adjourned to, and reconvened at 1 o'clock P. M. of this day with the clerk and all members except Chas. R. Perkins, present.

The following orders relating to indigent matters were made: Applications for state orphan aid were received from Mrs. M. E. Ware, and Raymond Rose; applications for state aid to the needy blind were received from Sallie Bell and Abraham Aaron; Mrs. Florence Boorman of Willits was granted $20 in supplies through the store of C. Rickards for the month of December, 1929, only; Mrs. Albertina Dixon was granted a county allowance of $15 per month in supplies and cash through store of J. C. Halliday & Son, Point Arena, beginning February 1, 1930; state aid to Bassi children was discontinued Jan. 1, 1930.

The board considered the applications for state and county aid to the needy and made recommendations for aid, rejected certain applications and continued others.

The board thereupon gave the ladies of the social agent's department a vote of thanks for their assistance in the matter of the applications for state and county aid to the needy aged.

The county automobile, formerly used by the county nurse, and now in storage, was turned over to the county social agent for the use by her department until the further order of this board.

The board then adjourned.

50 horsepower six-cylinder engine

Not until you drive the new Chevrolet Six can you appreciate what a wonderful improvement has been made in its famous six-cylinder valve-in-head engine. With its capacity increased to 50 horsepower, it has great reserve energy for sweeping up the steepest hills—for swift acceleration—and for sustained high speeds. Its power flows evenly and smoothly. And it is extremely flexible in traffic. In fact—it does everything you could possibly want a motor to do. Yet it is remarkably economical in its use of gasoline and oil. Come in today for a demonstration.

MANY LISTEN TO ORGANIZER

Ranchers Hear An Interesting Talk Of A Bureau Head

Nearly two score of the leading agriculturists of Mendocino county were in Ukiah Friday to attend a meeting in which H. H. Morrell, of Berkeley, director of organization, California Farm Bureau Federation, held a school of instruction for leadership in a movement for a more energetic and interested membership. Among a few of the farmers present were W. T. Clow, George Clow and George Davis, of Willits; A. Gordon, of Mendocino; W. Smith, of Elk; C. M. Avery and George Wilson, of Hopland; H. H. Mitten, Willits; H. J. June, Boonville; Mrs. A. M. S. Kinsler, Redwood Valley; Franz Grothe, George Cook, J. C. Johnson, Ruel Stickney, Mrs. A. Romer, Mrs. Jas. Holtz, James Holtz, Ukiah; C. R. Yarbrough and John Finne, Redwood Valley.

ODD FELLOWS TO BUY HALL

Boonville Lodge Plans Acquiring Of Moving Picture Theatre

(Special Correspondence of The Press)

BOONVILLE, Jan. 28.—Officers of the Farm Center are trying to induce S. E. Fitch to take charge of the 4-H Club work here this season. Mr. Fitch feels he has not the time to devote to the work the projects call for but everyone interested is hoping he will re-consider and consent to fill the post. Mr. Fitch is exceedingly well qualified for the position as he is a great favorite of all the boys. He has had considerable practical experience besides having attended the University at Davis, after completing his high school work here.

To Entertain Children.

The Unity Club will have as guests all the children of the Valley January 29 at a movie at the high school. The picture will be Jackie Coogan in "The Bugle Call." Adults will be charged the usual admission price, but all children are invited to attend free of charge.

Mr. and Mrs. V. R. Rawles were hosts at a delightful bridge party given at their home Saturday evening. Enjoying their hospitality were Mr. and Mrs. Albert Ferrell, Mr. and Mrs. A. R. Johnson, Mr. and Mrs. J. M. Johnson, Mr. and Mrs. F. A. Rawles, Mr. and Mrs. C. A. Tarwater, Mr. and Mrs. D. MacKintosh, Mr. and Mrs. M. W. Tindall, Mr. and Mrs. R. M. Zane.

Bought Ferrel's Hall.

The local order of Odd Fellows have purchased Ferrel's movie hall and will remodel it for lodge rooms, it is reported they also purchased the movie equipment. They tried some time ago to buy the Boonville hotel from J. E. Berry but this deal was not consummated on account of the time required to clear up the title.

Mr. and Mrs. Jack Kepple, of Cotati, were guests over Sunday at the J. M. Hutsell home.

Mr. and Mrs. Jesse Swanson had as guest over the week-end Mr. Swanson's mother from Lakeport.

Mendocino Won and Lost.

Mendocino high school played basketball here Friday. Their girls' team piled up a score of 35 to Boonville's 25. The B team defeated our B team to the tune of 16 to 9, but their A team was still wondering what it was all about when the game finished with a score of 14 to 4 in our favor. Mendocino believes in carrying all the support possible, as they brought close to 40 players to make up the teams, and their B team continually changed players, which of course helped to make their score climb. Available substitutes on our B team were not used by our coach.

Clever Games Enjoyed.

The Point Arena basketball teams played here Friday, January 18, both the Class A boys' team and the girls' team being defeated. As Point Arena does not have a Class B team the alumni team played the local alumni and helped even honors by defeating them. The Class A teams were very evenly matched and the spectators were in doubt as to the outcome until the final whistle. Boonville won by a very small score. The local girls, however, so far outplayed the coast team there was really no competition at all.

Some Future Games.

Mendocino will play here Friday night and it is understood our team will play Fort Bragg some time during the week, probably Tuesday night. This game is necessary to straighten out the schedule and was caused by the first game of the season, with Fort Bragg, being canceled on account of sickness there. It will, however, be rather hard on our teams to take the 100-mile trip during the week and then meet another team Friday evening.

Plan Lively Year.

The regular meeting of the local Farm Center was held Monday evening. Plans are under way for a very interesting program for the coming year. Refreshments were served at the close of the business session.

Society Had Meeting.

The Ladies Missionary Society meets Thursday afternoon at two o'clock. Mrs. Nellie Hartly, president, is anxious to have all members present and if not a member they will be more than glad to have visitors.

At Lodge Installation.

The joint installation of the Anderson Valley Lodge of Odd Fellows and the Redwood Rebekah Lodge of Anderson Valley was held recently with officers from Ukiah conducting the rites of installation. The officers of the Rebekah lodge were installed by Veta Morby, D. D. P.; Kate Sloper, D. M.; Mae Beckley, D. Ward.; Emily Miller, D. Sec.; Anna David, D. Tr.; Frances Burke, D. I. G. The following were inducted into office: Chrystine Burke, N. G.; Alice Gowan, V. UKIAH FIRE DEPARTMENT HAS BEEN PROVIDED A DORMITORY

City Boasts One Of The Most Efficient Bodies Of Volunteers To Be Found In The Entire State

For real, unselfish service to the community no organization in Ukiah is on a par with the Ukiah Fire Department which is of more real worth than riches and it is interesting to note how the service by which thousands of dollars are saved property owners annually is maintained. When the siren sounds out its jarring note the big fire engine, completely manned, is on its way before the last echoes die out. Until recently but two beds were maintained in the small room in which the chief slept carried the men to the seat of the fire engine. Today, because of the co-operation of the citizenry, the city council and others the department maintains eight beds and consequently eight fire-fighters are on the job the instant danger warns. The added equipment came about when the city council, realizing the auditorium in the city hall was of unnecessarily large proportions, offered the School street side to the department for a dormitory. The department did the rest, which means the room was walled off and a large airy room constructed which affords ample space for eight beds, a shower bath, lockers and other conveniences. In exchange for their service firemen, without home affiliations, are given sleeping quarters in the building. The men not only respond to fire alarms, but are wide awake to community interests.

Buy Equipment.

They have purchased and have ready for emergencies an inhalator for use in the cases of new born babies, drowning persons and those overcome by smoke. When word went about the city the life of Dr. F. E. Rea was hanging by a thread and blood transfusions would be necessary it was the Ukiah Fire Department that quickly called together volunteers who remained on call all night to give their blood to save the life of a fellow citizen.

Are Ever Ready.

All these and many more acts of unselfish service may be directly traced to the door of the volunteer force that stands between the safety of home life and the greatest destroyer of all times—fire.

Merit Their Good Name.

Is it any wonder the fame of the Ukiah Fire Department has spread far and wide and salaried members of the department of big cities come here to look the boys over? And when they do they are offered lodging in the fine new quarters during their stay in town and they carry back with them nothing but praise and admiration for Ukiah.

An Obliging Beauty Doctor

A Beauty Specialist Gives Home-Made Recipe To Darken Gray Hair.

Mrs. M. D. Gillespie, a well-known beauty specialist of Kansas City, recently gave out the following statement regarding gray hair:

"Anyone can prepare a mixture at home that will darken gray hair, and make it glossy. To a half-pint of water add one ounce of bay rum, a small box of Barbo Compound and ¼ ounce of glycerine.

These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look twenty years younger. It does not color the scalp, is not sticky or greasy and does not rub off." (Advt.)

HERE SHOPPING

Among the Lake county folk shopping in town during the week were Mrs. Thora Lindeblad and sons, Irving and Buddy, Claud Woodward and mother, Mrs. M. E. Woodward and sister, Mrs. J. Robbin, Mr. and Mrs. Guido de Ghetaldi and Francis Lucas.

ATTENDED MEETING

Senator F. C. Handy was in the state capital recently to attend a joint highway district problem meeting held before a legislative committee of which the local statesman was chairman. Delegations from Redding, Santa Cruz and various points in the San Joaquin valley attended the meeting.

CAUGHT IN STORM

A party of Upper Lake fishermen, including Peter Grigsby and Lee Scoggins, were snowbound recently while fishing for salmon on Eel river northeast of Longvale. Their failure to return Sunday to their homes caused a rescue party to set out to look for them Monday. The party, made up of Bob Lofterty and brother Charles, found the marooned ones enroute home but traveling slowly and with great difficulty by reason of the heavy fall of snow in that vicinity. The fishermen returned late Monday evening with eight fine salmon averaging over 20 pounds each.

Officer's Age Limit Provoking Interest

There is considerable discussion about the age limit for traffic officers who were just appointed in this county. There were scores of applications before the board of supervisors at the last meeting and only two were to be appointed, with two alternatives. The age limit was from 23 years to 36 years, and the district attorney interpreted it in this way: The applicant must be at least 24 years of age and not over 35.

Aged Pine Grove Lady Fell And Broke Hip

Mrs. Dave Gordon, pioneer resident of Pine Grove south of Caspar, fell at her home at that place and broke her hip and is at the Redwood Coast hospital, Fort Bragg. On account of Mrs. Gordon's extreme age—she is well on to 90 years—and her general condition, it is unlikely she will recover.

600 Volumes Given To Library During Drive

The committee in charge of the "Give a Book to the Library Week" very much appreciate publicity given the effort by the local press, the co-operation of the public which has added 600 volumes to the library shelves and the artistic posters made by Philip Joseph, Jr., art student, which were on display during the week and which netted the young man first and second prize in the poster contest.

Hoplanders Elated Over Five's Showing

(Special Correspondence of The Press)

HOPLAND, Jan. 28.—Mrs. Robert L. Buckman was shopping in Ukiah Tuesday afternoon.

Mrs. Anna Ede, of Modesto, is a guest of her daughter, Mrs. Bessie Duncan, this month.

Mrs. Van Harpe, whose serious illness has been a matter of grave concern to her many friends, is now on the road to recovery.

Beat Ukiah Five.

The Hopland high school basketball quintet has been enthusiastically congratulated following their decisive victory over the Ukiah union high school's unlimited five at Ukiah recently. The score was 17 to 12 in favor of the local boys. Charles Shimmin was easily the star player of the Hopland team. In the preliminary game Ukiah's Class B team won over the local grammar school quintet.

They Played Bridge.

Mrs. John Borghrdus entertained at bridge recently in honor of the birthday of her husband, who is head of the Hopland Farm Center. Those who enjoyed the dinner and bridge game included Dr. and Mrs. J. H. Hansen, of Ukiah, and Mr. and Mrs. Perle Crawford and Mr. and Mrs. W. L. Crawford, of Largo.

Won Over Kelseyville.

The Hopland unlimited high school basketball team defeated Kelseyville high school team Tuesday of last week by a score of 32 to 6.

Don Macmillan, local business man, passed several days in San Francisco last week.

Mr. and Mrs. Russell Patteson had as recent guests Mr. and Mrs. F. Patteson, of Healdsburg, parents of the local service station manager.

Mr. and Mrs. Francis Allen, of Oakland visited friends and relatives here last week.

Lem Salladay, of Santa Rosa, visited at the home of his daughter, Mrs. Russell Patteson, here last week while attending to business matters.

At Bridge Luncheon.

The ladies of the Hopland Bridge Club motored to Ukiah last week where they were guests of Mrs. Paul Mathews at a bridge luncheon. Mrs. Mathews has frequently enjoyed the club meetings here while a guest of her sister, Mrs. Russell Patteson, and the return courtesy was greatly appreciated here. Mrs. Frank Furniss and Miss Marie Dooley won the score awards.

Passed Examinations.

Robert Harmon, who has been substituting at the Farley school, near Laytonville, for Miss Elena Del Grosso, who was ill, returned to his home here recently and left for San Francisco where he enrolled at the winter session of the San Francisco State Teachers College. The young man was successful at the examinations held at Ukiah for elementary school certificates following his graduation from the high school here.

Many a man never thinks of putting something by for a rainy day until he finds himself under a cloud.

—*—

Mr. I. Carpenter, who lives north of Calpella, has placed an order with us for a carload of lumber for the construction of new poultry houses. When these are finished it will pay other poultry men to look at these buildings because Mr. Carpenter is incorporating in them some of the very latest ideas.

Mrs. J. Milone, of Hopland, purchased one of the new Thor Washers with the beautiful porcelain tub some time ago and she told us this week that it has turned Blue Monday into Sunny Monday for her. Several of her neighbors are breaking the commandment regarding coveting their neighbors' goods.

Need Not Suffer.

Little Girl: Why do the hens make that funny noise, mom?

Mother: They want some breakfast, dear.

Little Girl: Well, if they are so hungry why don't they lay themselves some eggs?

We have the agency for the J. I. Case line of farm implements and tractors, and can take care of all your requirements for farm tools. The Case Company has built a line of implements particularly adapted to California needs and we are pleased that they saw fit to place their agency with us.

We know a man who is not particularly fond of flowers and yet he throws boquets at himself.

—*—

Americanism.

Prating of equality; feeling offended if the waiter doesn't seem conscious of inferiority.

Sperry's Surelay will do wonders but it won't increase your poultry receipts if you feed it to your cows. Last week in this column we advised the use of Surelay for cows. Increase your egg production with Surelay but by all means boost your cream check with Sperry's Suremilk.

Alas, it is man's fate to keep on growing older long after he is old enough.

Due to our quality stock, our excellent delivery service, and fair prices, our Grocery Department is showing a rapid increase in sales.

Soapetically Speaking.

He: May I hold your Palmolive?

She: Not on your Life Buoy.

He: Then I'm out of Lux?

She: Yes; Ivory formed.
